INTRODUCTION

The 22nd edition of *Rothmans Football Yearbook* has extended items on both domestic and international football. As last year, every one of the 92 Football League clubs has a full page photograph of the 1990–91 squad and there are again six pages devoted to each team. Newly promoted Barnet, the 93rd club, are also featured.

For the first time, transfer fees during 1990–91 are indicated in the section covering player moves. Although only tribunal fees are officially disclosed, others have been reproduced as those published at the time. Also each club has an item entitled 'Did You Know', relating to an historical fact of interest.

On the international scene, the directory of nations in FIFA now includes full addresses. The ongoing 1992 European Championship series is given full coverage with fixtures for the remaining games. Non-league football is well reported as is European club soccer. The return of English clubs to European fare is also given prominence.

With so many changes in the Laws of the Game having taken place in the last year or so, it has also been decided to include these again with the latest amendments documented.

The Editor would like to thank Maurice Golesworthy for historical notes on the clubs, as well as Alan Elliott for the Scottish section. Thanks are also due to John English, whose painstaking and conscientious reading of the proofs has been of invaluable assistance in the preparation of the book as well as editorial assistance from Mavis Suckling and Christine Forrest.

The Editor would also like to pay tribute to the various organisations who have helped to make this edition complete, especially Sheila Murphy of the Football League, Mike McNamara of The Football Association, and the secretaries of all the Football League and Scottish League clubs for their kind co-operation. The ready availability of Football League secretary David Dent and his staff to answer queries was as usual most appreciated especially Ian Cotton and Chris Hull and thanks are due in equal measure to the Scottish Football League.

ACKNOWLEDGEMENTS

The Editor would also like to express his appreciation of the following individuals and organisations for their co-operation; Mike Foster, Glynis Firth, Sandra Whiteside, Lorna Parnell, Debbie Birch (all from The Football League), David Barber and Steve Clark (The Football Association), David C. Thompson of The Scottish Football League, Bernard Turner (FA of Wales), Alan Dick, Malcolm Brodie, C. S. Allatt and Peter Hughes (English Schools FA), W. P. Goss (AFA), Ken Scott for GM Vauxhall Conference information, Rev. Nigel Sands, Edward Grayson, Andy Howland and Don Aldridge.

Mank thanks to Caroline North, Publishing Director at Queen Anne Press, for her support and encouragement during the year, and to her assistant Stephanie Bennett.

Finally, sincere thanks to Ken Webb and the production staff at BPCC Whitefriars for their efforts in the production of this book which was much appreciated in the final stages.

EDITORIAL

History shows that leaders of a revolution must be sure of their fellow dissidents. A puppet's string can easily be cut in any coup and in the battle between the Football Association and the Football League it could be said to have been an attempt at a *coup de grass*...

It was in April that the FA announced its intention of implementing an 18-team Super League in 1992–93 to benefit the England team. Some judged this to be an ill-timed move, deliberately designed to throw the 1991–92 season into such potential chaos that a Super League would be welcomed. By doing this they claimed that the goalposts had not only been moved, but the venue had been changed. Yet this was never a contest between the FA and the League, just the on-going attempts by the big clubs to distance themselves financially from the rest.

Throughout this discourse, scarcely any thought was given to the two most important ingredients of the professional game, namely the players and the spectators. It has been mischievously suggested that the Super League would need neither. As a cost-cutting exercise it has its merits. The 2036 Football League games during the 1990–91 produced an overall policing bill of £6.78 million. Wages and other heavy expenditure would also largely disappear, but presumably sponsorship would still be there and executive suites provided with videos of bygone games. Never mind the ball, let's get on with the game. Next thing you know, Tesco will be dispensing with its customers.

The Football League has been in existence for over 100 years. That in itself does not constitute sufficient argument for a continuance in the same form. Longevity can lead to senile decay. But the facts present a different picture. Despite the recession, the Football League showed a modest increase in attendances during 1990–91, for an unprecedented fifth successive season. The introduction of the play-off system has undoubtedly given the League competition a tremendous shot-in-the-arm and resulted in far fewer meaningless matches at the tail end of the season.

One strong criticism of the League is that it lacks leadership. The decision to revert to a 22-team First Division gave the Super League lobby powerful ammunition, but remember it was the clubs who voted for it in the first place.

Both the Italian Serie A and the West (sorry just) German Bundesliga have been put forward as models for a Super League. Yet the Italians have four teams relegated from it each season from 18 and the cream of the German national team plays in Italy anyway. Even with home advantage, the Italians failed to win the 1990 World Cup, something our clapped-out system managed to achieve 25 years ago. True the Germans won it last year, but only because their elite were playing in Italy, the most competitive league of all.

There were other sceptics who wondered just where the vast sums of money were to be derived from to fund a Super League. The FA's record of high level sponsorship has been unable to date to find a backer of sufficient wealth for the FA Cup. Television remains pie in the sky and only licensing offers obvious extra remuneration.

The FA has been considered an unlikely source of rebellion. But remember they have murmured approval at previous breakaway threats and in 1974 they decided that there were no longer any amateurs in the game. If they had been really serious about the England team they could have laid long-term plans to include their own in a Super League. The School of Excellence would provide the necessary raw material without it developing the bad habits of other League clubs.

Sensibly no League can be organised to solely benefit a national team. If the England side never played another match or one day was forced to become a quarter of a Great Britain set up, the game would still survive. But the facade of pretending this was designed for national benefit has now vanished.

What is clear is that a quarter of the clubs in the League might well gain in the short term, the remainder will certainly struggle and then there will be enforced changes of name to Aimless Wanderers, Nomadic Rovers and Cardboard City. Odd too, that the body which fostered the pyramid system for non-league football stands accused of virtually mummifying incentive to reach the top.

ROTHMANS FOOTBALL AWARDS

BARNET FOOTBALL CLUB became the 93rd Football League club when they won promotion from the GM Vauxhall Conference at the completion of the 1990–91 season. It ended a frustrating sequence of events for the North London club which had seen them finishing runners-up three times since 1986–87. Formed in 1888 they first played in the Olympian League but it was much later in their history that they created an impact winning the Athenian League a record seven times. In 1945–46 they won the Amateur Cup and 20 years later turned professional taking the Southern League title in their first season. Manager Barry Fry is in his second spell in charge of the club and succeeded in steering them to the championship despite transferring Phil Gridelet, Paul Harding, Andrew Clarke and David Regis to other Football League clubs during this momentous season.

MANCHESTER UNITED FOOTBALL CLUB crowned their return to European football by winning the Cup-Winners' Cup in style. Arguably the most pleasing aspect of their triumph came from their performances away from Old Trafford. Drawn at home in the first leg against Pecsi Munkas of Hungary, they were able to take a 2-0 lead into the return and won again 1-0. Fourth Division Wrexham put up a gallant performance in the second round but lost 5-0 on aggregate before the French club Montpellier presented United with their most serious opposition. At Old Trafford the first leg ended 1-1, but in France it was a different story as Alex Ferguson's team gave an outstanding performance to win 2-0. Legia Warsaw, who had knocked out Sampdoria, were made to look an ordinary side in Poland as United won 3-1 and the 1-1 second leg was academic. United then topped their season with a memorable and surprisingly easy 2-1 final success over Barcelona.

STEVE NORRIS became the first player in 20 years to notch up more than half of his team's goals in the Football League when scoring 30 of Halifax Town's 59 goals. At one stage in the season it seemed that he might well break the club's individual scoring record for one campaign, a feat achieved by Albert Valentine in 1934–35 when he registered 34 goals in the Third Division (North). But Steve Norris actually began the season playing for Carlisle United and when he joined Halifax on 5 October they were still searching for their first League goal! Eight days later the Yorkshire side broke their duck at Carlisle of all places, Norris grabbing one of the three Town goals that day. Thanks chiefly to his scoring prowess, Halifax did manage to finish two places off the bottom of the Fourth Division.

STUART PEARCE established himself as the most prolific scoring defender in the Football League for one season without the assistance of a penalty kick. His 16 League and Cup goals were well earned and provided an extra dimension to Nottingham Forest's attacking patterns. Of course several of his successful strikes came from ferocious free-kicks, none better revealed than in the FA Cup Final against Tottenham Hotspur. Stuart Pearce, a resolute full-back, came comparatively late into the Football League as he was over 21 when he was signed by Coventry City from Wealdstone, but he soon showed that he had lost nothing in his footballing education for this beginning. Since then he has forced himself into the England team and has captained his country. During one of the close season matches against New Zealand he scored the second full international goal of his career.

TEDDY SHERINGHAM enjoyed his most successful scoring season in 1990–91 finishing as the Football League's highest marksman with 33 goals for Millwall in the Second Division. He also took his total of goals in League games to 93 thus overhauling the total achieved by Derek Possee with 79 from 1967 to 1973. Apart from a short loan spell with Aldershot, Teddy Sheringham had played all his football with Millwall, the club he joined as an apprentice. In the summer of 1991 he joined Nottingham Forest for £2,000,000. Last season, during which he did not miss one League game, he also took his total of League games to over the 200 mark. It was also his first full season without being partnered by Tony Cascarino who had been transferred to Aston Villa. Sheringham responded by producing his best finishing power to come within four goals of Richard Parker's 37 achieved in the old Third Division Southern Section in 1926–27.

GRAHAM TAYLOR started his new career as England manager with an unbeaten record of 12 matches after taking over the role from Bobby Robson. For any manager of a national team fewer matches only produce greater pressure and the switch from club management can be a traumatic affair. For Graham Taylor there was the added responsibility of taking charge of a team which had just acquitted itself admirably in the 1990 World Cup. He had to continue the momentum built up by this improvement but at the same time stamp his own authority. He can be satisfied that his immediate targets have been met in such a fashion that the long term aims lie well within his grasp. He has already been more successful in the first dozen games than any of his predecessors.

FROM THE CHAPLAIN

The 1990–91 season was a quietly encouraging one for the chaplains in the game, as well as for those who welcome and support their ministry and seek to extend the chaplains' influence and involvement in the sport of professional football. Not only did it begin with over one-third of the clubs in the Football League now benefiting from the appointment of chaplains, but a second national conference held in October amply demonstrated just how valuable the chaplain's ministry within his club can be in many different ways. These vary from the high-profile role played by the former chaplain at Sheffield Wednesday in the wake of the Hillsborough disaster to the quiet, steady, on-going supportive care given to players, administrators and fans at a club during and after important and stressful times in their lives.

Further encouragement, and evidence of the ever-widening understanding and appreciation of the value of having a chaplain at a club, came as the season progressed and news filtered through of several more appointments being made at clubs which had not previously had a chaplain. In one or two instances this was in response to a letter circularised to all such clubs by the chairman of one of the First Division clubs which has long known and valued the work of the clergyman who serves them.

'On The Praying Staff'

Then again, though not for the first time, one of the Sunday newspaper colour supplements presented a serious, attractive and revealing article about the caring, pastoral role of the Football Chaplains, complete with several stunningly effective photos under the title of 'Let Us Play' (!) and an engaging sub-heading asserting that 'every club needs a man on the praying staff'!

Effective

Such publicity for the chaplains, while occasionally welcomed, is unusual, for these men are far removed from being status seekers. Their involvement is almost always low-key, undemonstrative, and usually well away from any limelight. But that of course is what makes it so effective, for, as one First Division manager said of his chaplain, 'He's my Heineken chaplain – he reaches parts of the club others cannot reach'.

Should any reader be interested in serving in such a capacity, or in making contact with a potential chaplain on behalf of his club, he is invited to write, in complete confidence of course, to Christians In Sport, PO Box 93, Oxford.

REVIEW OF THE SEASON

Consistency is an important factor in determining success and Arsenal had it during their impressive 1990–91 season which saw them win the League Championship. In 50 League and Cup matches they lost only three times and their solitary defeat in the First Division represented the best record for a title-winning team this century.

In wresting the championship back from Liverpool, Arsenal again found the Anfield side to be their chief rivals, though the ending was something of an anti-climactic affair in part due to the needs of televised football. On 4 May Liverpool began the day just three points behind the leaders, albeit with an inferior goal difference. That afternoon they lost 4-2 at Chelsea, where ironically Arsenal had suffered their lone reverse 2-1 on 2 February. Thus the Gunners were able to start their match at Sunderland in somewhat more relaxed fashion, kicking-off knowing the Stamford Bridge result.

Two days later there was a repeat performance before the cameras, though this time the small screen devotees witnessed Liverpool's further demise in a 2-1 defeat at Nottingham Forest which handed the championship to Arsenal. They were able to celebrate that evening in style, beating Manchester United 3-1.

Moreover there was more than a touch of irony over this fixture. Most of Arsenal's problems had been derived from their Old Trafford rivals. On 20 October they had been involved in a fracas which resulted in them being deducted two points and United one, as a consequence of the disgraceful scene which erupted at Old Trafford. Arsenal did win the game 1-0 only to find themselves with just a point from it.

Five weeks later United went to Highbury in the Rumbelows Cup and took a 3-0 lead by half-time. Arsenal pulled back two goals but Alex Ferguson's men responded with three further goals in a handsome 6-2 victory. Four days later manager George Graham had to face reigning champions Liverpool on the same ground under the gaze of the TV cameras. Naturally he did not have to motivate his players for such a game, but they would have been less than human if the after effects of shell-shock had not had some bearing on their performance.

But as it happened it was Liverpool's approach to the match which helped sweep away any self-doubts which might have lingered. Indeed the Merseysiders' cautious, over-defensive attitude was not right for the occasion. A bold, more imaginative attacking stance might well have caused Arsenal serious trouble. Arsenal won 3-0 and not only did Liverpool probably lose the psychological factor, it was arguably the moment that Kenny Dalglish decided to quit the managerial role.

It was Liverpool's first defeat in the League and the first time they had failed to score. They were only fitfully effective after this, often as brilliant as ever, just as frequently unsure and out of touch. Again their performances were judged against their own high standards and perhaps as such unfairly regarded. But their midfield lost the services of Steve McMahon and Ronnie Whelan in the second half of the season and Alan Hansen's absence throughout the campaign left the defence without its usual authority. Dalglish subsequently departed to be replaced temporarily by the No.2 Ronnie Moran until Graeme Souness was persuaded to leave Rangers and return to Anfield.

Meanwhile Graham was able to select a fairly settled team. Of the 19 players called upon, David Seaman, Lee Dixon, Nigel Winterburn and Steve Bould did not miss a game. Seaman had an outstanding first season at Highbury and at one stage seemed likely to concede fewer goals than any other goalkeeper in First Division history. Both full-backs attacked relentlessly whenever possible and Bould enjoyed the best season of his career. Skipper Tony Adams missed eight games having been jailed for a drink-driving offence but Paul Davis, Alan Smith and Paul Merson were only absent from at least part of a game on one occasion each. The Swedish import Anders Limpar lost the edge from his effervescent displays following injury, but had the satisfaction of scoring a hat-trick in the last game. Smith's unselfish leadership of the attack still gave him 23 League goals and he found a fine partner in the strong running Kevin Campbell, the latest in a long line of Arsenal discoveries.

Graham said that he felt the team needed more flair in attack but many other managers would have been happy to settle for much less up front that the Gunners possessed. Arsenal's only other defeat came in the semi-final of the FA Cup at Wembley against North London rivals Tottenham Hotspur. Spurs won 3-1 and deservedly so, in what was probably the Highbury team's poorest showing of the entire season.

Third placed Crystal Palace were there on 22 December after winning 2-0 at Manchester City and remained in the position. They were also able to return to Wembley, this time in the Zenith Data Systems Cup where they beat Everton 4-1 after extra time. The resurrec-

tion of East Germany from the rubble of the Berlin Wall robbed them of a deserved place in Europe. Leeds United were inclined to be erratic. But from the end of October they had a run of 11 games without defeat before crashing 3-0 at Liverpool on New Year's Day.

Manchester City had several fine runs, 15 without defeat after losing the opening game at Tottenham 3-1 and in the last nine were beaten only in the Manchester derby. Peter Reid could derive much satisfaction from his first season as player-manager.

Neighbours Manchester United never really threatened in the League but reserved their best performances in cup games. They reached the Rumbelows Cup Final but gave a disappointing display in losing 1-0 to Sheffield Wednesday. However, they redeemed themselves on their return to Europe by taking the Cup-Winners' Cup, with flashes of the traditional fluency which epitomised United sides of other eras.

Wimbledon continued to confound their critics. They were as high as sixth as early as 8 December and had one run of ten games without defeat. Nottingham Forest, capable of producing the most attractive football in the First Division, had one spell of nine games without a win but finished with 20 goals in their last six before being well beaten by Spurs in the FA Cup Final. Tottenham's off-field problems inevitably filtered through to the pitch and they won only one of their last 15 League games. But they rose to the challenge of the Cup Final magnificently after losing Paul Gascoigne, who had masterminded their semi-final victory, to win 2-1.

Everton, with Howard Kendall restored at the helm, appeared in transition but lost just one of their last dozen and Chelsea's poor record in the second half of the season wiped out earlier successes which included five straight wins. Queens Park Rangers had seemed destined for relegation suffering eight successive defeats, before an impressive late run from mid-January which included a 3-1 win at Liverpool on 30 March.

Sheffield United seemed ever more likely to make a quick return to Division Two after failing to win any of their first 16 games and scoring just seven goals. But on 26 January they beat Derby County 1-0 to start a run of seven consecutive wins.

Two wins successively was the most Southampton managed at one spell and despite being eighth on 10 November had a below-mid-table look about them. Goalscoring was a problem for Norwich City. They achieved only 41 and in one run of six games scored just once and that produced a 1-0 win at Luton Town. Luton for their part escaped relegation even though in the nine matches before their last they had taken just two points. Above them Aston Villa looked vulnerable relying overmuch on David Platt's goalscoring. They reserved their best and worst performances in the UEFA Cup respectively in the home and

away legs against Internazionale. Coventry City, too, were rarely decisive and won only once away from Highfield Road.

Derby County went down with Sunderland. Derby lost 6-4 at home to Chelsea on 15 December, the first of a club record 20 games without a win. Already relegated, they then beat Southampton 6-2. Sunderland's isolated victories were not enough though they did the double over Luton and had wins over Manchester United and Crystal Palace.

Oldham Athletic finally edged West Ham United out of the Second Division championship having been no lower than second all season and given the launch of 16 games without defeat. West Ham had a run of 21 without loss but were hit by injuries and only goalkeeper Ludek Miklosko played in every match. Third placed Sheffield Wednesday also made a fine start with 12 games undefeated. Top scorer David Hirst ended a barren spell with seven goals in the last five games and they fully deserved Rumbelows Cup success over Manchester United.

Notts County finished with seven successive wins and Millwall failed to capitalise on starting with nine games without defeat and Teddy Sheringham's 33 goals. Brighton went into the last game having scored just once in six attempts but made the play-offs along with Middlesbrough who suffered a similar goal drought scoring in only two of their last six.

Barnsley were on the fringe of the play-offs as were Bristol City at times and despite losing their last two games, Oxford's fortunes were transformed by a run of 15 without defeat. Newcastle United called upon the services of 36 players, Wolverhampton Wanderers won only two of their last 15 and went out of both cups quickly. The 11 players who started Bristol Rover's season off ended it! Of course there were changes during the term...

Ipswich Town drew 18 times, seven consecutively and Port Vale were unable to notch up more than two wins in a row. Charlton Athletic had made their escape by early March but Portsmouth were sliding into trouble at one stage until mid-April. Plymouth Argyle went nine games in mid-season without victory from mid-November to mid-January while by mid-March Blackburn Rovers slipped to 22nd. Watford were toiling until they had seven wins in the last 11 and Swindon Town lost 11 of their last 17. Leicester City managed to beat Oxford United 1-0 in the last game but West Bromwich Albion and Hull City went down. Albion were actually unbeaten in their last nine games! Hull were the last team in the League to fail to score when they lost 3-0 at Middlesbrough on 1 December but a token effort to revive ended in March.

Cambridge United topped the Third Division even though another fine FA Cup run led to a fixture backlog. They had to play ten games in April and lost just two of their last 13. Southend United gave away an enormous lead and in the last 12 matches scored only nine goals yet won four and drew three of them. Grimsby Town were never lower than third and survived a few late hiccups at home. Bolton Wanderers climbed from 23rd to second at one stage and Tranmere Rovers' best run saw six wins in a row in April. Brentford lost just one of the last six and Bury needed to beat Tranmere2-1 to reach the play-offs; a lone victory from five.

Eighth was the highest Bradford City reached all season though Bournemouth were fifth at one time. Wigan Athletic lost two of their last three to rob themselves of a play-off chance and one success in seven caused similar late disappointment for Huddersfield Town. Birmingham City's poor scoring record was offset by success in the Leyland Daf Cup while seven consecutive defeats to mid-March hit Leyton Orient badly.

Notwithstanding several lapses, Stoke City were still third at the start of December but late in the season they suffered six successive defeats. Reading recorded just two wins in the last 14 and Exeter City did not recover from an early season spell of ten games without victory. Preston North End's last day win over Wigan was their first in eight but Shrewsbury Town won six of their last seven.

Chester City's move to Macclesfield hit attendances badly. Only 631 saw the Reading game on 5 March. Nine consecutive defeats cost Wales manager Terry Yorath his job at Swansea City and Fulham hovered dangerously close to relegation and in one spell of 12 games scored only five times. Crewe Alexandra, Rotherham United and Mansfield Town were relegated. Crewe made a brave effort with four wins in the last five and Rotherham, rock bottom for five months, managed to beat Cambridge 3-2 four days before being relegated. Mansfield's last win was on 6 April when they beat Reading 2-0.

For Darlington, return to the Football League brought further promotion. After losing 3-1 at Stockport County on 1 December they lost only three of 29 games and went top on 23 February. Stockport themselves won eight of their last nine, Hartlepool United were unbeaten in their last 14 dropping only four points and Peterborough United after making six transfer-deadline signings did enough to reach Third Division football again.

Blackpool, 20th on 20 October, lost only three times in the second half only to suffer defeat on the last day at Walsall which cost them promotion. Burnley also failed despite

one defeat in the last ten and Torquay United's up and down form stabilised long enough to put them in the play-offs along with Scunthorpe United whose five straight wins in February and March proved significant.

Wretched support hindered Scarborough. One rainy evening in December only 625 turned up. Yet they almost made the play-offs. Northampton Town appeared to be coasting along but slumped in their last eight games and though Doncaster Rovers were also top at the turn of the year they finished eighth. Rochdale's promising start—only one reverse in 12—was not maintained and financially-hit Cardiff City took only three points from a possible 24 at the end.

Inconsistent Lincoln City generally lacked goals, only 22 being derived from the first 29 games, yet they beat Carlisle United 6-2 on the last day. Injury-hit Gillingham beat Doncaster 2-0 on the same programme, their first success in ten. Walsall had one sequence of 17 games where they scored only seven times and Hereford United never managed more than two consecutive wins in a row.

After 15 games without a win, Chesterfield won five on the trot in a run from November and Maidstone United went ten without success from the end of February. Carlisle United struggled from the turn of the year and the defence fell apart conceding 36 goals in one spell of 13 games. York City only managed to reach 18th place by mid-October and Halifax Town made the worst goalscoring start in Football League history failing to score in their first eight games. Aldershot's wretched season was relieved by a deserved goalless draw at West Ham in the FA Cup and Wrexham won only two of their last 12 to finish with the wooden spoon.

INTRODUCTION TO THE CLUB SECTION

The full page team photographs which appear on the first of each club's six pages in this section of the yearbook were taken at the beginning of the 1990–91 season, and therefore relate to the season covered by this edition's statistics.

The third and fourth pages of each club's section give a complete record of the League season for the club concerned, including date, venue, opponents, result, half-time score, League position, goalscorers, attendance and complete line-ups, including substitutes where used, for every League game in the 1990–91 season. These two pages also include consolidated lists of goalscorers for the club in League, Rumbelows Cup and FA Cup matches and a summary of results in the two main domestic cups. The full League history of the club, a complete list of major honours won and best placings achieved, and a note of the team's first and second choice colours appears on the second page of this section. The colours are checked with the clubs, but please note that second choice colours may vary during the season.

Note also that the League position shown after each League result is recalculated as at every Saturday night plus full holiday programmes, but the position after mid-week fixtures will not normally be updated. Please be advised that the attendance figures quoted for each League game are those which appeared in the Press at the time, whereas the attendance statistics published on pages 610 and 611 are those issued officially by the Football League after the season has been completed. However, the figures for each League game are those used by the Football League in its weekly bulletin, in conjunction with the *Sunday Telegraph* and Jack Rollin's column in that newspaper.

On the fourth page of each club's section, the total League appearances for the season are listed at the foot of each player's column. Substitutes are inserted as numbers 12 and 14 where they actually came on to play. The players taken off are respectively given an asterisk (*) and a dagger (†). But in order to give the chart a uniform appearance, where only one substitute has played the number 12 will have been used. Some clubs, Aston Villa for example, have used 13 as their second substitute number, but again for purposes of uniformity, they appear as 14.

In the totals at the foot of each column, substitute appearances are listed separately below the '+' sign, but have been amalgamated in the totals which feature in the player's historical section on the final page for each club. Thus these appearances include those as substitute.

The final pages for each club lists all the players included on the Football League's 'Retained' list, which is published at the end of May. Here you will find each player's height and weight, where known plus birthplace, birthdate and source, together with total League appearances and goals for each club he has represented. Full names of all other players retained including trainees, non-contract players and schoolboys are also given. In addition more club information is added on these pages including items of interest from the club's history and a list of previous managers.

Any transfers which take place between the publication of the League's Retained list and this book going to press will be included in the transfer section between pages 601 and 609, but the player's details will remain under the club which retained him at the end of the season. An asterisk * by a player's name on the fifth and sixth pages means that he was given a free transfer at the end of the 1990–91 season, a dagger † against a name means that he is a non-contract player, and a double dagger ‡ indicates that the player's registration was cancelled during the season. An § indicates either a Trainee or an Associated Schoolboy who has made Football League appearances.

The play-offs in the Football League are listed separately on pages 586 and 587. Appearances made by players in these play-offs will *not* be included in their career totals.

Two pages have been included for Barnet, the 93rd club in the Football League.

Editor's note: In the Scottish League, substitutes where used are listed as 12 and 14. The second player to be taken off is also picked out with a dagger.

ALDERSHOT

Foundation: It was through the initiative of Councillor Jack White, a local newsagent who immediately captured the interest of the Town Clerk D. Llewellyn Griffiths, that Aldershot Town was formed in 1926. Having established a limited liability company under the chairmanship of Norman Clinton, an Aldershot resident and chairman of the Hampshire County FA they rented the Recreation Ground from the Aldershot Borough Council.

First Football League game: 27 August, 1932, Division 3(S), v Southend U (h) L 1-2 – Robb; Wade, McDougall; Lawson, Spence, Middleton; Proud, White, Gamble, Douglas, Fishlock (1).

Did you know: In season 1971–72 the Shots drew a total of 22 Fourth Division games including five in a row. Of those five games four were goalless draws.

The club became known as the "Woolwich Reds" although their official title soon after formation was Woolwich Arsenal.

ASTON VILLA

Foundation: Cricketing enthusiasts of Villa Cross Wesleyan Chapel, Aston, Birmingham decided to form a football club during the winter of 1873–74. Football clubs were few and far between in the Birmingham area and in their first game against Aston Brook St. Mary's Rugby team they played one half rugby and the other soccer. In 1876 they were joined by a Scottish soccer enthusiast George Ramsay who was immediately appointed captain and went on to lead Aston Villa from obscurity to one of the country's top clubs in a period of less than 10 years.

First Football League game: 8 September, 1888, Football League, v Wolverhampton W, (a) D 1-1 – Warner; Cox, Coulton; Yates, H. Devey, Dawson; A. Brown, Green (1), Allen, Garvey, Hodgetts.

Did you know: When left-half Bob Iverson scored Aston Villa's fastest-ever League goal after ten seconds in a home game against Charlton Athletic, 3 December 1938, the only Charlton player to touch the ball was goalkeeper Sam Bartram.

BIRMINGHAM CITY

Foundation: In 1875 cricketing enthusiasts who were largely members of Trinity Church, Bordesley, determined to continue their sporting relationships throughout the year by forming a football club which they called Small Heath Alliance. For their earliest games played on waste land in Arthur Street, the team included three Edden brothers and two James brothers.

First Football League game: 3 September, 1892, Division 2, v Burslem Port Vale (h) W5-1 – Charsley; Bayley, Speller; Ollis, Jenkyns, Devey; Hallam (1), Edwards (1), Short (1), Wheldon (2), Hands.

Did you know: Over 34 years have elapsed since a Birmingham City player scored a hat-trick in an FA Cup tie. On that occasion Alex Govan scored three goals in a 6-1 4th Round victory at Southend United.

BLACKBURN ROVERS

Foundation: It was in 1875 that some Public School old boys called a meeting at which the Blackburn Rovers club was formed and the colours blue and white adopted. The leading light was John Lewis, later to become a founder of the Lancashire FA, a famous referee who was in charge of two FA Cup Finals, and a vice-president of both the FA and the Football League.

First Football League game: 15 September, 1888, Football League, v Accrington (h) D 5-5 – Arthur; Beverley, James Southworth; Douglas, Almond, Forrest; Beresford (1), Walton, John Southworth (1), Fecitt (1), Townley (2).

Did you know: In 1886 when they were particularly hard-up Rovers organised a draw with tickets at 6d (5p) each. First prize was a newly built cottage on the New Bank road valued at £140. Other prizes included a piano, watches, a sewing machine and a washing machine and wringing machine.

BOLTON WANDERERS

Foundation: In 1874 boys of Christ Church Sunday School, Blackburn Street, led by their master Thomas Ogden, established a football club which went under the name of the school and whose president was Vicar of Christ Church. Membership was 6d (2cp). When their president began to lay down too many rules about the use of church premises, the club broke away and formed Bolton Wanderers in 1877, holding their earliest meetings at the Gladstone Hotel.

First Football League game: 8 September, 1888, Football League, v Derby C (h), L 3-6 – Harrison; Robinson, Mitchell; Roberts, Weir, Bullough, Davenport (2), Milne, Coupar, Barbour, Brogan (1).

Did you know: The lowest attendance for an FA Cup Final replay this century was 20,470 at Bolton in 1901 when Spurs beat Sheffield United 3-1. This was due largely to the railway's refusal to allow cheap excursion tickets to Bolton where the station was being rebuilt.

AFC BOURNEMOUTH

Foundation: There was a Bournemouth FC as early as 1875, but the present club arose out of the remnants of the Boscombe St John's club (formed 1890). The meeting at which Boscombe FC came into being was held at a house in Gladstone Road in 1899. They began by playing in the Boscombe and District Junior League.

First Football League game: 25 August, 1923, Division 3(S), v Swindon T (a), L 1-3 – Heron; Wingham, Lamb; Butt, C. Smith, Voisey; Miller, Lister (1), Davey, Simpson, Robinson.

Did you know: When Bournemouth became the first Fourth Division side to beat the Wolves in an FA Cup, 4th round tie, 26 January 1957, Reg Cutler brought the woodwork crashing down in the sixth minute after he had collided with a post. A seven-minute hold-up followed while the goal was re-erected. Just before half-time Reg scored the only goal.

BRADFORD CITY

Foundation: Bradford was a rugby stronghold around the turn of the century but after Manningham RFC held an archery contest to help them out of financial difficulties in 1903, they were persuaded to give up the handling code and turn to soccer. So they formed Bradford City and continued at Valley Parade. Recognising this as an opportunity of spreading the dribbling code in this part of Yorkshire, the Football League immediately accepted the new club's first application for membership of the Second Division.

First Football League game: 1 September, 1903, Division 2, v Grimsby T (a), L 0-2 – Seymour; Wilson, Halliday; Robinson, Millar, Farnall; Guy, Beckram, Forrest, McMillan, Graham.

Did you know: Newly formed Bradford City were elected members of the Football League (Second Division) in 1903 before they had got a team together. They were promoted in only their fifth season.

BRIGHTON & HOVE ALBION

Foundation: After barely two seasons in existence, a professional club named Brighton United, consisting mostly of Scotsmen, was forced to disband in 1900. The club's manager John Jackson determined to keep the professional game alive in the town and initiated the movement which led to the formation of Brighton & Hove Rangers that same year.

First Football League game: 28 August, 1920, Division 3, v Southend U (a), L 0-2 – Hayes; Woodhouse, Little; Hall, Comber, Bentley; Longstaff, Ritchie, Doran, Rodgerson, March.

Did you know: Irish International Jack Doran was the first player to score as many as five goals for Brighton in a Football League game. He achieved this feat when Brighton beat Northampton Town 7-0 in 1921-22.

BRISTOL CITY

Foundation: The name Bristol City came into being in 1897 when the Bristol South End club, formed three years earlier, decided to adopt professionalism and apply for admission to the Southern League after competing in the Western League. The historic meeting was held at The Albert Hall, Bedminster. Bristol City employed Sam Hollis from Woolwich Arsenal as manager and gave him £40 to buy players. In 1901 they merged with Bedminster, another leading Bristol club.

First Football League game: 7 September, 1901, Division 2, v Blackpool (a) W 2-0 – Moles; Tuft, Davies; Jones, McLean, Chambers; Bradbury, Connor, Boucher, O'Brien (2), Flynn.

Did you know: The last time City scored 100 League goals in a season they could only finish 14th in the Table. This was in the Third Division 1962-63 when only champions Northampton Town scored more goals than the City.

BURNLEY

Foundation: The majority of those responsible for the formation of the Burnley club in 1881 were from the defunct rugby club Burnley Rovers. Indeed, they continued to play rugby for a year before changing to soccer and dropping "Rovers" from their name. The changes were decided at a meeting held in May 1882 at the Bull Hotel.

First Football League game: 8 September, 1888, Football League, v PNE (a), L 2-5 – Smith; Lang, Bury, Abrams, Friel, Keenan, Brady, Tait, Poland (1), Gallocher (1), Yates.

Did you know: Burnley enjoyed a run of 10 Second Division victories in season 1912–13. Leading scorer Bert Freeman netted 14 goals in these games ending with four in a 5-1 win over Leicester Fosse.

BURY

Foundation: A meeting at the Waggon & Horses Hotel, attended largely by members of Bury Wesleyans and Bury Unitarians football clubs, decided to form a new Bury club. This was officially formed at a subsequent gathering at the Old White Horse Hotel, Fleet Street, Bury on April 24, 1885.

First Football League game: 1 September, 1894, Division 2, v Manchester C (h) W 4-2 – Lowe; Gillespie, Davies; White, Clegg, Ross; Wylie, Barbour (2), Millar (1), Ostler (1), Plant.

Did you know: One of the most astonishing scoring feats by a Bury player was that by George Jones in their Third Division championship-winning season of 1970-71. On Saturday 5 December, he scored four of his side's goals in a 5-1 League victory at Reading and followed this a week later by scoring a goal in only 10 seconds against Notts County in an FA Cup tie at Gigg Lane.

CARDIFF CITY

Foundation: Credit for the establishment of a first class professional football club in such a rugby stronghold as Cardiff, is due to members of the Riverside club formed in 1899 out of a cricket club of that name. Cardiff became a city in 1905 and in 1908 the local FA granted Riverside permission to call themselves Cardiff City.

First Football League game: 28 August, 1920, Division 2, v Stockport C (a) W 5-2 – Kneeshaw; Brittain, Leyton; Keenor (1), Smith, Hardy; Grimshaw (1), Gill (2), Cashmore, West, Evans (1).

Did you know: Of the three men who have each scored five goals for Cardiff in a League game only one is a Welshman – Walter Robbins (see under 'Record League Victory.') The other two – Hughie Ferguson and Jim Henderson were Scots.

CHARLTON ATHLETIC

Foundation: Although formed in 1905 by members of such clubs as East Street Mission, Blundell Mission, and Charlton Reds, Charlton Athletic did not really make their presence felt until adopting professionalism and joining the Southern League in 1920. Before that, they had played in such competitions as the Lewisham, Southern Suburban and London Leagues.

First Football League game: 27 August, 1921, Division 3(S), v Exeter C (h) W 1-0 – Hughes; Mitchell, Goodman; Dowling (1), Hampson, Dunn; Castle, Bailey, Halse, Green, Wilson.

Did you know: After Charlton won the FA Cup in 1947 manager Jimmy Seed dropped the trophy and broke the top off the lid. A garage did a temporary repair before a Town Hall reception after which a silversmith did a professional job.

CHELSEA

Foundation: Chelsea may never have existed but for the fact that Fulham rejected an offer to rent the Stamford Bridge ground from Mr. H. A. Mears who had owned it since 1904. Fortunately he was determined to develop it as a football stadium rather than sell it to the Great Western Railway and got together with Frederick Parker, who persuaded Mears of the financial advantages of developing a major sporting venue. Chelsea FC was formed in 1905, and when admission to the Southern League was denied, they immediately gained admission to the Second Division of the Football League.

First Football League game: 2 September, 1905, Division 2, v Stockport C (a) L 0-1 – Foulke; Mackie, McEwan; Key, Harris, Miller; Moran, J.T. Robertson, Copeland, Windridge, Kirwan.

Did you know: The only season in which the aggregate of attendances at Stamford Bridge for Football League matches exceeded 1m was when they won the Championship in 1954–55. The biggest gate that season was 75,043 v Wolves, 9 April.

CHESTER CITY

Foundation: All students of soccer history have read about the medieval games of football in Chester, but the present club was not formed until 1884 through the amalgamation of King's School Old Boys with Chester Rovers. For many years Chester were overshadowed in Cheshire by Northwich Victoria and Crewe Alexandra who had both won the Senior Cup several times before Chester's first success in 1894–95.

First Football League game: 2 September, 1931, Division 3(N), v Wrexham (a) D 1-1 – Johnson; Herod, Jones; Keeley, Skitt, Reilly; Thompson, Ranson, Jennings (1), Cresswell, Hedley.

Did you know: In season 1976–77 Chester went through four rounds of the FA Cup without conceding a goal before Kenny Hibbitt scored when Chester were beaten 1-0 at Wolverhampton.

CHESTERFIELD

Foundation: Chesterfield are fourth only to Stoke, Notts County and Nottingham Forest in age for they can trace their existence as far back as 1866, although it is fair to say that they were somewhat casual in the first few years of their history playing only a few friendlies a year. However, their rules of 1871 are still in existence showing an annual membership of 2s (10p), but it was not until 1891 that they won a trophy (the Barnes Cup) and followed this a year later by winning the Sheffield Cup, Barnes Cup and the Derbyshire Junior Cup.

First Football League game: 2 September, 1899, Division 2, v Sheffield W (a) L 1-5 – Hancock; Pilgrim, Fletcher; Ballantyne, Bell, Downie; Morley, Thacker, Gooing, Munday (1), Geary.

Did you know: In season 1933–34 Chesterfield enjoyed a run of 10 Division 3(N) wins after losing 1-0 at Accrington 2 September until losing 2-1 at Newcastle 11 November.

COVENTRY CITY

Foundation: Workers at Singer's cycle factory formed a club in 1883. The first success of Singers' FC was to win the Birmingham Junior Cup in 1891 and this led in 1894 to their election to the Birmingham and District League. Four years later they changed their name to Coventry City and joined the Southern League in 1908 at which time they were playing in blue and white quarters.

First Football League game: 28 August, 1920, Division 2, v Rotherham C (a) W 3-2 – Mitchell; Chaplin, Laurence; Fenwick, Hanney, Hadley (1); Dougall, Mercer (1), Parker, Nash, Gibson (1).

CREWE ALEXANDRA

Foundation: Crewe Alexandra played cricket and probably rugby before they decided to form a football club in 1877. Whether they took the name "Alexandra" from a pub where they held their meetings, or whether it was after Princess Alexandra, is a matter of conjecture. Crewe's first trophy was the Crewe and District Cup in 1887 and it is worth noting that they reached the semi-finals of the FA Cup the following year.

First Football League game: 3 September, 1892, Division 2, v Burton Swifts (a) L 1-7 – Hickton; Moore, Cope; Linnell, Johnson, Osborne; Bennett, Pearson (1), Bailey, Barnett, Roberts.

Did you know: In their record-breaking 1931–32 season Crewe scored 36 goals in one spell of only seven consecutive home League games. More than half of this total was scored by Harry Deacon(10) and Ted Sweeney(9).

CRYSTAL PALACE

Foundation: There was a Crystal Palace club as early as 1861 but the present organisation was born in 1905 after the formation of a club by the company that controlled the Crystal Palace (the building that is), had been rejected by the FA who did not like the idea of the Cup Final hosts running their own club. A separate company had to be formed and they had their home on the old Cup Final ground until 1915.

First Football League game: 28 August, 1920, Division 3, v Merthyr T (a) L 1-2 – Alderson; Little, Rhodes; McCracken, Jones, Feebury; Bateman, Conner, Smith, Milligan (1), Whibley.

Did you know: Palace's most prolific scorer, Peter Simpson, netted a hat-trick on his debut for the club in September 1929, and during the following season scored a total of 10 League and Cup hat-tricks including one six and two fours.

Managers (and Secretary-managers)

DARLINGTON

Foundation: A football club was formed in Darlington as early as 1861 but the present club began in 1883 and reached the final of the Durham Senior Cup in their first season, losing to Sunderland in a replay after complaining that they had suffered from intimidation in the first. The following season Darlington won this trophy and for many years were one of the leading amateur clubs in their area.

First Football League game: 27 August, 1921, Division 3(N), v Halifax T (h) W 2-0 – Ward; Greaves, Barbour; Dickson (1), Sutcliffe, Malcolm; Dolphin, Hooper (1), Edmunds, Wolstenholme, Winship.

Did you know: Darlington were one of the first clubs to play two League games over a week-end when in January 1974 they drew 1-1 with Stockport County on Saturday and 0-0 with Torquay United on Sunday – both games at home.

DERBY COUNTY

Foundation: Derby County was formed by members of the Derbyshire County Cricket Club in 1884, when football was booming in the area and the cricketers thought that a football club would help boost finances for the summer game. To begin with, they sported the cricket club's colours of amber, chocolate and pale blue, and went into the game at the top immediately entering the FA Cup.

First Football League game: 8 September, 1888, Football League, v Bolton W (a) W 6-3 – Marshall; Latham, Ferguson, Williamson; Monks, W. Roulstone; Bakewell (2), Cooper (2), Higgins, H. Plackett, L. Plackett (2).

Did you know: When Derby clinched the Second Division championship with a 1-0 win at Millwall, 12 April 1969, they wore red shirts and black shorts loaned to them by the home club. They had intended playing in all-white but Millwall had also decided on that strip.

DONCASTER ROVERS

Foundation: In 1879 Mr. Albert Jenkins got together a team to play a game against the Yorkshire Institution for the Deaf. The players stuck together as Doncaster Rovers joining the Midland Alliance in 1889 and the Midland Counties League in 1891.

First Football League game: 7 September, 1901, Division 2, v Burslem Port Vale (h) D 3-3 – Eggett; Simpson, Layton; Longden, Jones, Wright; Langham, Murphy, Price, Goodson (2), Bailey (1).

Did you know: Rovers record breaking goalscoring feats of 1946–47 tend to overshadow the fact that in 1934–35 they scored 21 goals in one run of five games with Albert Turner getting 10 of them including five in a 7-1 win over New Brighton.

EVERTON

Foundation: St. Domingo Church Sunday School formed a football club in 1878 which played at Stanley Park. Enthusiasm was so great that in November 1879 they decided to expand membership and changed the name to Everton playing in black shirts with a white sash and nicknamed the "Black Watch". After wearing several other colours, royal blue was adopted in 1901.

First Football League game: 8 September, 1888, Football League, v Accrington (h) W 2-1 – Smalley; Dick, Ross; Holt, Jones, Dobson; Fleming (2), Waugh, Lewis, E. Chadwick, Farmer.

Did you know: Everton was the first club to notch up 10 or more away wins in three consecutive League seasons. They achieved this in seasons 1984–85, 85–86, 86–87 – all in Division One.

EXETER CITY

Foundation: Exeter City was formed in 1904 by the amalgamation of St. Sidwell's United and Exeter United. The club first played in the East Devon League and then the Plymouth & District League. After an exhibition match between West Bromwich Albion and Woolwich Arsenal was held to test interest as Exeter was then a rugby stronghold, Exeter City decided at a meeting at the Red Lion Hotel to turn professional in 1908.

First Football League game: 28 August, 1920, Division 3, v Brentford (h) W 3-0 – Pym; Coleburne, Feebury (1p); Crawshaw, Carrick, Mitton; Appleton, Makin, Wright (1), Vowles (1), Dockray.

Did you know: In the period beginning 17 October 1931 and ending 13 September 1933 centre-forward Fred Whitlow scored nine League hat-tricks for the City while none of his team mates got even one.

GILLINGHAM

Foundation: The success of the pioneering Royal Engineers of Chatham excited the interest of the residents of the Medway Towns and led to the formation of many clubs including Excelsior. After winning the Kent Junior Cup and the Chatham District League in 1893, Excelsior decided to go for bigger things and it was at a meeting in the Napier Arms, Brompton, in 1893 that New Brompton FC came into being as a professional concern, securing the use of a ground in Priestfield Road.

First Football League game: 28 August, 1920, Division 3, v Southampton (h) D 1-1 – Branfield; Robertson, Sissons; Battiste, Baxter, Wigmore; Holt, Hall, Gilbey (1), Roe, Gore.

Did you know: In December 1924, when the Gills were involved in four FA Cup replays with Barrow before losing 2-1 at New Cross, they played nine League and Cup games in 19 days.

HARTLEPOOL UNITED

Foundation: The inspiration for the launching of Hartlepool United was the West Hartlepool club which won the FA Amateur Cup in 1904–05. They had been in existence since 1881 and their Cup success led in 1908 to the formation of the new professional concern which first joined the North-Eastern League. In those days they were Hartlepools United and won the Durham Senior Cup in their first two seasons.

First Football League game: 27 August, 1921, Division 3(N), v Wrexham (a) W 2-0 – Gill; Thomas, Crilly; Dougherty, Hopkins, Short; Kessler, Mulholland (1), Lister (1), Robertson, Donald.

Did you know: On the occasion that Hartlepool's ground record was created (5 January 1957) they fought back from 3-0 down to draw level with the star studded Manchester United side before the visitors won 4-3. Manchester United were League Champions for the second successive season in 1956–57.

HUDDERSFIELD TOWN

Foundation: A meeting, attended largely by members of the Huddersfield & District FA, was held at the Imperial Hotel in 1906 to discuss the feasibility of establishing a football club in this rugby stronghold. However, it was not until a man with both the enthusiasm and the money to back the scheme came on the scene, that real progress was made. This benefactor was Mr. Hilton Crowther and it was at a meeting at the Albert Hotel in 1908, that the club formally came into existence with a capital of £2,000 and joined the North-Eastern League.

First Football League game: 3 September, 1910, Division 2, v Bradford PA (a) W 1-0 – Mutch; Taylor, Morris; Beaton, Hall, Bartlett; Blackburn, Wood, Hamilton (1), McCubbin, Jee.

Did you know: Between a defeat by Swindon Town, 1 February 1913, and Arsenal, 27 February 1932, Huddersfield were undefeated at home in the FA Cup. During this spell they played 25 home ties, winning 24 and drawing 1.

HULL CITY

Foundation: The enthusiasts who formed Hull City in 1904 were brave men indeed. More than that they were audacious for they immediately put the club on the map in this Rugby League fortress by obtaining a three-year agreement with the Hull Rugby League club to rent their ground! They had obtained quite a number of conversions to the dribbling code, before the Rugby League forbade the use of any of their club grounds by Association Football clubs. By that time, Hull City were well away having entered the FA Cup in their initial season and the Football League, Second Division after only a year.

First Football League game: 2 September, 1905, Division 2, v Barnsley (h) W 4-1 – Spendiff; Langley, Jones; Martin, Robinson, Gordon (2); Rushton, Spence (1), Wilson (1), Howe, Raisbeck.

Did you know: In 1920–21 Hull City played four consecutive FA Cup ties without conceding a goal before losing 1-0 at home to Preston North End. Their goalkeeper in these games was Billy Mercer who went on to win League Championship and FA Cup runners-up medals with Huddersfield Town.

IPSWICH TOWN

Foundation: Considering that Ipswich Town only reached the Football League in 1938, many people outside of East Anglia may be surprised to learn that this club was formed at a meeting held in the Town Hall as far back as 1878 when Mr. T. C. Cobbold, MP, was voted president. Originally it was the Ipswich Association FC to distinguish it from the older Ipswich Football Club which played rugby. These two amalgamated in 1888 and the handling game was dropped in 1893.

First Football League game: 27 August, 1938, Division 3(S), v Southend U (h) W 4-2 – Burns; Dale, Parry; Perrett, Fillingham, McLuckie; Williams, Davies (1), Jones (2), Alsop (1), Little.

Did you know: When Ipswich were held to a 1-1 draw by Gateshead at Portman Road in the FA Cup, 3rd rnd in January 1952 they had recalled goalkeeper Mick Burns for what proved to be his last game. He had joined the club in 1938 and was aged 43 years 7 months.

Managers (and Secretary-managers)
Mick O'Brien 1936–37, Scott Duncan 1937–55 (continued as secretary), Alf Ramsey 1955–63, Jackie Milburn 1963–64, Bill McGarry 1964–68, Bobby Robson 1969–82, Bobby Ferguson 1982–87, Johnny Duncan 1987–90, John Lyall May 1990– .

LEEDS UNITED

Foundation: Immediately the Leeds City club (founded in 1904) was wound up by the FA in October 1919, following allegations of illegal payments to players, a meeting was called by a Leeds solicitor, Mr. Alf Masser, at which Leeds United was formed. They joined the Midland League playing their first game in that competition in November 1919. It was in this same month that the new club had discussions with the directors of a virtually bankrupt Huddersfield Town who wanted to move to Leeds in an amalgamation. But Huddersfield survived even that crisis.

First Football League game: 28 August, 1920, Division 2, v Port Vale (a) L 0-2 – Down; Duffield, Tillotson; Musgrove, Baker, Walton; Mason, Goldthorpe, Thompson, Lyon, Best.

Did you know: Leeds United did not concede a single goal in their first six appearances in the European Cup in 1969–70. Then George Connelly got one after only 45 seconds when Celtic beat them 1-0 in the first Semi-final 1st leg at Leeds.

LEICESTER CITY

Foundation: In 1884 a number of young footballers who were mostly old boys of Wyggeston School, held a meeting at a house on the Roman Fosse Way and formed Leicester Fosse FC. They collected 9d (less than 4p) towards the cost of a ball, plus the same amount for membership. Their first professional, Harry Webb from Stafford Rangers, was signed in 1888 for 2s 6d (12p) per week, plus travelling expenses.

First Football League game: 1 September, 1894, Division 2, v Grimsby T (a) L 3-4 – Thraves; Smith, Bailey; Seymour, Brown, Henrys; Hill, Hughes, McArthur (1), Skea (2), Priestman.

Did you know: Arthur Chandler is best remembered for his goalscoring feats but he was also the first player to make 100 consecutive League and Cup appearances for the club – a milestone he reached in October 1925.

LEYTON ORIENT

Foundation: There is some doubt about the foundation of Leyton Orient, and, indeed, some confusion with clubs like Leyton and Clapton over their early history. As regards the foundation, the most favoured version is that Leyton Orient was formed originally by members of Homerton Theological College who established Glyn Cricket Club in 1881 and then carried on through the following winter playing football. Eventually many employees of the Orient Shipping Line became involved and so the name Orient was chosen in 1888.

First Football League game: 2 September, 1905, Division 2, v Leicester Fosse (a) L 1-2 – Butler; Holmes, Codling; Lamberton, Boden, Boyle; Kingaby (1), Wootten, Leigh, Evenson, Bourne.

Did you know: Peter Kitchen created the club's record for most goals in a season of FA Cup games with a total of seven in 1977–78. He also scored one in the League Cup and his total of eight for these two competitions is also a club record.

LIVERPOOL

Foundation: But for a dispute between Everton FC and their landlord at Anfield in 1892, there may never have been a Liverpool club. This dispute persuaded the majority of Evertonians to quit Anfield for Goodison Park, leaving the landlord, Mr. John Houlding, to form a new club. He originally tried to retain the name "Everton" but when this failed, he founded Liverpool Association FC on 15 March, 1892.

First Football League game: 2 September, 1893, Division 2, v Middlesbrough (a) W 2-0 – McOwen; Hannah, McLean; Henderson, McQue (1), McBride; Gordon, McVean (1), M. McQueen, Stott, H. McQueen.

Did you know: Liverpool's run of 24 games without defeat in the Football League Cup between 27 August 1980, when they lost 1-0 at Bradford, and 15 February 1983, when they went down 1-0 at Burnley, is a record for this competition.

LUTON TOWN

Foundation: Formed by an amalgamation of two leading local clubs, Wanderers and Excelsior a works team, at a meeting in Luton Town Hall in April 1885. The Wanderers had three months earlier changed their name to Luton Town Wanderers and did not take too kindly to the formation of another Town club but were talked around at this meeting. Wanderers had already appeared in the FA Cup and the new club entered in its inaugural season.

First Football League game: 4 September, 1897, Division 2, v Leicester Fosse (a) D 1-1 – Williams; McCartney, McEwen; Davies, Stewart, Docherty; Gallacher, Coupar, Birch, McInnes, Ekins (1).

Did you know: When Luton notched up their 8-2 win over Sunderland at Kenilworth Road, 19 November 1955, the Wearsiders were First Division leaders. Luton scored four goals in each half, the first four in a nine-minute spell. Bob Morton got a hat-trick.

MANCHESTER CITY

Foundation: Manchester City was formed as a Limited Company in 1894 after their predecessors Ardwick had been forced into bankruptcy. However, many historians like to trace the club's lineage as far back as 1880 when St. Mark's Church, West Gorton added a football section to their cricket club. They amalgamated with Gorton Athletic in 1884 as Gorton FC. Because of a change of ground they became Ardwick in 1887.

First Football League game: 3 September, 1892, Division 2, v Bootle (h) W 7-0 – Douglas; McVickers, Robson; Middleton, Russell, Hopkins; Davies (3), Morris (2), Angus (1), Weir (1), Milarvie.

Did you know: City delayed the kick-off of their game at Everton in 1928 through their late arrival. However, they were level (1-1) at the interval and won 6-2 with Tom Johnson scoring five goals. This eased the pain of their subsequent fine.

MANCHESTER UNITED

Foundation: Manchester United was formed as comparatively recently as 1902 after their predecessors, Newton Heath, went bankrupt. However, it is usual to give the date of the club's foundation as 1878 when employees of the Lancashire and Yorkshire Railway Company formed Newton Heath L and YR. Cricket and Football Club. They won the Manchester Cup in 1886 and as Newton Heath FC were admitted to the Second Division in 1892.

First Football League game: 3 September, 1892, Division 1, v Blackburn R (a) L 3-4 – Warner; Clements, Brown; Perrins, Stewart, Erentz; Farman (1), Coupar (1), Donaldson (1), Carson, Mathieson.

Did you know: When David Herd scored four goals for Manchester United against Sunderland, 26 November 1966, his first three were against different goalkeepers – Jimmy Montgomery, Charlie Hurley and John Parke in that order. United went on to win 5-0.

MANSFIELD TOWN

Foundation: Many records give the date of Mansfield Town's formation as 1905. But the present club did not come into being until 1910 when the Mansfield Wesleyans (formed 1891) and playing in the Notts and District League, decided to spread their wings and changed their name to Mansfield Town, joining the new Central Alliance in 1911.

First Football League game: 29 August, 1931, Division 3(S), v Swindon T (h) W 3-2 – Wilson; Clifford, England; Wake, Davis, Blackburn; Gilhespy, Readman (1), Johnson, Broom (2), Baxter.

Did you know: Town's initial victory over a First Division side was against West Ham United, 26 February 1969, when they won 3-0 in an FA Cup 5th round tie at Field Mill. The visitors included such stars as Bobby Moore, Martin Peters, Geoff Hurst and Trevor Brooking.

NEWCASTLE UNITED

Foundation: It stemmed from a newly formed club called Stanley in 1881. In October 1882 they changed their name to Newcastle East End to avoid confusion with Stanley in Co. Durham. Shortly afterwards another club Rosewood merged with them. Newcastle West End had been formed in August 1882 and they played on a ground which is now St. James' Park. In 1889, West End went out of existence after a bad run and the remaining committee men invited East End to move to St. James' Park. They accepted and at a meeting in Bath Lane Hall in 1892, changed their name to Newcastle United.

First Football League game: 2 September, 1893, Division 2, v Royal Arsenal (a) D 2-2 – Ramsay; Jeffery, Miller; Crielly, Graham, McKane; Bowman, Crate (1), Thompson, Sorley (1), Wallace. Graham and not Crate scored according to some reports.

Did you know: Newcastle have fielded more Scottish than English internationals. Among the 23 men who appeared for them in five FA Cup finals in seven years 1904–11 were 11 Scots, but there were also six Geordies – Colin Veitch, Jackie Carr, George Jobey, John Rutherford, Jimmy Stewart and Dave Willis.

NORTHAMPTON TOWN

Foundation: Formed in 1897 by school teachers connected with the Northampton and District Elementary Schools' Association, they survived a financial crisis at the end of their first year when they were £675 in the red and became members of the Midland League – a fast move indeed for a new club. They achieved Southern League membership in 1901.

First Football League game: 28 August, 1920, Division 3, v Grimsby T (a) L 0-2 – Thorpe; Sproston, Hewison; Jobey, Tomkins, Pease; Whitworth, Lockett, Thomas, Freeman, MacKechnie.

Did you know: When the Cobblers won promotion from the Fourth Division in 1975–76 all 15 of their most regular players found the net, including goalkeeper Alan Starling who scored from a penalty – the only goal of his extensive League career.

Foundation: Formed in 1902, largely through the initiative of two local schoolmasters who called a meeting at the Criterion Cafe, they were shocked by an FA Commission which in 1904 declared the club professional and ejected them from the FA Amateur Cup. However, this only served to strengthen their determination. New officials were appointed and a professional club established at a meeting in the Agricultural Hall in March 1905.

First Football League game: 28 August, 1920, Division 3, v Plymouth A (a) D 1-1 – Skermer; Gray, Gadsden; Wilkinson, Addy, Martin; Laxton, Kidger, Parker, Whitham (1), Dobson.

Did you know: After holding First Division Leeds to a 3-3 draw in the FA Cup in 1934-35 Norwich had their legs pulled about their nickname. So they took a couple of canaries to Leeds for the replay and presented them to the club before beating them 2-1.

NOTTINGHAM FOREST

Foundation: One of the oldest football clubs in the world, Nottingham Forest was formed at a meeting in the Clinton Arms in 1865. Known originally as the Forest Football Club, the game which first drew the founders together was "shinney" a form of hockey. When they determined to change to football in 1865, one of their first moves was to buy a set of red caps to wear on the field.

First Football League game: 3 September, 1892, Division 2, v Everton (a) D 2-2 – Brown; Earp, Scott; Hamilton, A. Smith, McCracken; McCallum, W. Smith, Higgins (2), Pike, McInnes.

Did you know: Forest once played successive FA Cup ties in the same round at Newcastle. In 1920-21 they sold their ground rights to Newcastle for a minimum of £2,000 in the 1st Round and after drawing 1-1 they were beaten at St. James's Park 2-0 in the replay.

NOTTS COUNTY

Foundation: For many years the foundation date of the Football League's oldest club was given as 1862 and the club celebrated its centenary in 1962. However, the researches of Keith Warsop have since shown that the club was on a very haphazard basis at that time, playing little more than practice matches. The meeting which put it on a firm footing was held at the George IV Hotel in December 1864, when they became known as the Notts Football Club.

First Football League game: 15 September, 1888, Football League, v Everton (a) L 1-2 – Holland; Guttridge, McLean; Brown, Warburton, Shelton; Hodder, Harker, Jardine, Moore (1), Wardle.

Did you know: Notts County have competed in every FA Cup competition since 1877 – a record. They drew their initial game 1-1 against the Sheffield club at Trent Bridge, but lost the replay 3-0.

OLDHAM ATHLETIC

Foundation: It was in 1895 that John Garland, the landlord of the Featherstall and Junction Hotel, decided to form a football club. As Pine Villa they played in the Oldham Junior League. In 1899 the local professional club Oldham County, went out of existence and one of the liquidators persuaded Pine Villa to take over their ground at Sheepfoot Lane and change their name to Oldham Athletic.

First Football League game: 9 September, 1907, Division 2, v Stoke (a) W 3-1 – Hewitson; Hodson, Hamilton; Fay, Walders, Wilson; Ward, W. Dodds (1), Newton (1), Hancock, Swarbrick (1).

Did you know: Oldham would have won the Football League Championship on goal average in 1914-15 if they had only drawn at Liverpool in their final game, but they lost 2-0 and Everton took the title.

OXFORD UNITED

Foundation: There had been an Oxford United club around the time of World War I but only in the Oxfordshire Thursday League and there is no connection with the modern club which began as Headington in 1893, adding "United" a later. Playing first on Quarry Fields and subsequently Wootten's Fields, they owe much to a Dr. Hitchings for their early development.

First Football League game: 18 August, 1962, Division 4, v Barrow (a) L 2-3 – Medlock; Beavon, Quartermain; R. Atkinson, Kyle, Jones; Knight, G. Atkinson (1), Houghton (1), Cornwell, Colfar.

Did you know: Oxford United were drawn at home in eight successive FA Cup ties 1963-65, including all six in 1963–64 when they became the first Fourth Division side to reach the Sixth Round.

PLYMOUTH ARGYLE

Foundation: The Plymouth Argyle Association Football Club developed out of the Argyle Athletic club which was formed in 1886 at a meeting in Argyle Terrace, Mutley. Plymouth was a rugby stronghold, but servicemen brought soccer to the town and it spread quickly. At first Argyle Athletic Club played both soccer and rugby in colours of green and black. The rugby section was eventually disbanded, and after a number of exhibition games had satisfied the locals of the feasibility of running a professional club, Plymouth Argyle was formed in 1903.

First Football League game: 28 August, 1920, Division 3, v Norwich C (h) D 1-1 – Craig; Russell, Atterbury; Logan, Dickinson, Forbes; Kirkpatrick, Jack, Bowler, Heeps (1), Dixon.

Did you know: At Christmas 1960 Argyle lost 6-4 at Charlton but the following day beat the Londoners 6-4 at Home Park with Wilf Carter becoming the first Argyle player to score five goals in a League game.

PORTSMOUTH

Foundation: At a meeting held in his High Street, Portsmouth offices in 1898, solicitor Alderman J. E. Pink and five other business and professional men agreed to buy some ground close to Goldsmith Avenue for £4,950 which they developed into Fratton Park in record breaking time. A team of professionals was signed up by manager Frank Brettell and entry to the Southern League obtained for the new club's September 1899 kick-off.

First Football League game: 28 August, 1920, Division 3, v Swansea T (h) W 3-0 – Robson; Probert, Potts; Abbott, Harwood, Turner; Thompson, Stringfellow (1), Reid (1), James (1), Beedie.

Did you know: Best-ever start to a season by a goalkeeper in the Football League is that of Tom Newton in season 1922–23. He did not concede a goal in Portsmouth's first eight games, but was then beaten by a dramatic first-minute goal by Plymouth Argyle's Jack Fowler in a 2-1 defeat at Fratton Park.

PRESTON NORTH END

Foundation: North End Cricket and Rugby Club which was formed in 1863, indulged in most sports before taking up soccer in about 1879. In 1881 they decided to stick to football to the exclusion of other sports and even a 16–0 drubbing by Blackburn Rovers in an invitation game at Deepdale, a few weeks after taking this decision, did not deter them for they immediately became affiliated to the Lancashire FA.

First Football League game: 8 September, 1888, Football League, v Burnley (h) W 5-2 – Trainer; Haworth, Holmes; Robertson, W. Graham, J. Graham; Gordon (1), Ross (2), Goodall, Dewhurst (2), Drummond.

Did you know: During 1947–48 Preston became the only club ever to play successive away FA Cup ties in different rounds on the same ground. A 1-0 victory over Manchester City was followed by a 4-1 defeat by Manchester United. Both games at Maine Road.

QUEEN'S PARK RANGERS

Foundation: There is an element of doubt about the date of the foundation of this club, but it is believed that in either 1885 or 1886 it was formed through the amalgamation of Christchurch Rangers and St. Jude's Institute FC. The leading light was George Wodehouse, whose family maintained a connection with the club until comparatively recent times. Most of the players came from the Queen's Park district so this name was adopted after a year as St. Jude's Institute.

ROCHDALE

Foundation: Considering the love of rugby in their area, it is not surprising that Rochdale had difficulty in establishing an Association Football club. The earlier Rochdale Town club formed in 1900 went out of existence in 1907 when the present club was immediately established and joined the Manchester League, before graduating to the Lancashire Combination in 1908.

First Football League game: 27 August, 1921, Division 3(N), v Accrington Stanley (h) W 6-3 – Crabtree; Nuttall, Sheehan; Hill, Farrer, Yarwood; Hoad, Sandiford, Dennison (2), Owens (3), Carney (1).

Did you know: In 1919–20 Rochdale drew Arsenal at home in the FA Cup but accepted a £1,000 guarantee to play at Highbury where a crowd numbering 26,596 saw them beaten 4-2.

Managers (and Secretary-managers)
Billy Bradshaw 1920, (run by committee 1920–22), Tom Wilson 1922–23, Jack Peart 1923–30, Will Cameron 1930–31, Herbert Hopkinson 1932–34, Billy Smith 1934–35, Ernest Nixon 1935–37, Sam Jennings 1937–38, Ted Goodier 1938–52, Jack Warner 1952–53, Harry Catterick 1953–58, Jack Marshall 1958–60, Tony Collins 1960–68, Bob Stokoe 1967–68, Len Richley 1968–70, Dick Conner 1970–73, Walter Joyce 1973–76, Brian Green 1976–77, Mike Ferguson 1977–78, Doug Collins 1979, Bob Stokoe 1979–80, Peter Madden 1980–83, Jimmy Greenhoff 1983–84, Vic Halom 1984–86, Eddie Gray 1986–88, Danny Bergara 1988–89, Terry Dolan 1989–91, Dave Sutton February 1991– .

ROTHERHAM UNITED

Foundation: This club traces its history back to the formation of Thornhill United in 1878 (reformed 1884). They changed their name to Rotherham County in 1905. Confusion exists because of the existence of the Rotherham Town club (founded c. 1885) and in the Football League as early as 1893 but this club was not the one previously mentioned. The Town amalgamated with Rotherham County to form Rotherham United in 1925.

First Football League game: 2 September, 1893, Division 2, Rotherham T v Lincoln C (a) D 1-1 – McKay; Thickett, Watson; Barr, Brown, Broadhead; Longden, Cutts, Leatherbarrow, McCormick, Pickering. 1 o.g. 30 August, 1919, Division 2, Rotherham C v Nottingham F (h) W 2-0 – Branston; Alton, Baines; Bailey, Coe, Stanton; Lee (1), Cawley (1), Glennon, Lees, Lamb.

Did you know: In the period between the two world wars Rotherham United was the only club which failed to turn up for a Football League game. Fog prevented them from reaching Hartlepool United's ground, 22 December 1934.

SCUNTHORPE UNITED

Foundation: The year of foundation for Scunthorpe United has often been quoted as 1910, but the club can trace its history back to 1899 when Brumby Hall FC, who played on the Old Showground, consolidated their position by amalgamating with some other clubs and changing their name to Scunthorpe United. The year 1910 was when that club amalgamated with North Lindsey United as Scunthorpe and Lindsey United. The link is Mr. W. T. Lockwood whose chairmanship covers both years.

First Football League game: 19 August, 1950, Division 3(N), v Shrewsbury T (h) D 0-0 – Thompson; Barker, Brownsword; Allen, Taylor, McCormick; Mosby, Payne, Gorin, Rees, Boyes.

Did you know: It was this club that initiated the move to extend the size of the Football League by two clubs in each of the two Third Divisions in 1950, persuading Everton to propose the move and Sheffield Wednesday to second it.

SHEFFIELD UNITED

Foundation: In March 1889, Yorkshire County Cricket Club formed Sheffield United six days after an FA Cup semi-final between Preston North End and West Bromwich Albion had finally convinced Charles Stokes, a member of the cricket club, that the formation of a professional football club would prove successful at Bramall Lane. The United's first secretary, Mr. J. B. Wostinholm was also secretary of the cricket club.

First Football League game: 3 September, 1892, Division 2, v Lincoln C (h) W 4-2 – Lilley; Witham, Cain; Howell, Hendry, Needham (1); Wallace, Dobson, Hammond (3), Davies, Drummond.

Did you know: United's goalscoring giant Jimmy Dunne once scored four goals in each of two successive First Division games – v Walsall (4-2) January 1, 1930 and v Leicester (7-1) three days later. He followed this by scoring in a 2-1 defeat of Leicester in the FA Cup.

SHEFFIELD WEDNESDAY

Foundation: Sheffield, being one of the principal centres of early Association Football, this club was formed as long ago as 1867 by the Sheffield Wednesday Cricket Club (formed 1825) and their colours from the start were blue and white. The inaugural meeting was held at the Adelphi Hotel and the original committee included Charles Stokes who was subsequently a founder member of Sheffield United.

First Football League game: 3 September, 1892, Division 1, v Notts C (a) W 1-0 – Allan; T. Brandon (1), Mumford; Hall, Betts, H. Brandon; Spiksley, Brady, Davis, R.N. Brown, Dunlop.

Did you know: No club ever had a more brilliant pair of wingers than Wednesday's Mark Hooper and Ellis Rimmer. For nine seasons 1928–37 they did not miss a single FA Cup tie and were both among the scorers when Wednesday won the Trophy in 1935.

SHREWSBURY TOWN

Foundation: Shrewsbury School having provided a number of the early England and Wales internationals it is not surprising that there was a Town club as early as 1876 which won the Birmingham Senior Cup in 1879. However, the present Shrewsbury Town club was formed in 1886 and won the Welsh FA Cup as early as 1891.

First Football League game: 19 August, 1950, Division 3(N), v Scunthorpe U (a) D 0-0 – Eggleston; Fisher, Lewis; Wheatley, Depear, Robinson; Griffin, Hope, Jackson, Brown, Barker.

Did you know: Shrewsbury Town were unbeaten at home in the FA Cup from 1952 to 1969 during which time they played 22 ties at Gay Meadow winning 14 and drawing eight.

SOUTHAMPTON

Foundation: Formed largely by players from the Deanery FC, which had been established by school teachers in 1880. Most of the founders were connected with the young men's association of St. Mary's Church. At the inaugural meeting held in November 1885 the club was named Southampton St. Mary's and the church's curate was elected president.

First Football League game: 28 August, 1920, Division 3, v Gillingham (a) D 1-1 – Allen; Parker, Titmuss; Shelley, Campbell, Turner; Barratt, Dominy (1), Rawlings, Moore, Foxall.

Did you know: The season the Saints won the Cup (1975–76) they were only 60 seconds away from being k.o'd in that season's first cup game – home to Aston Villa in the 3rd round when Hugh Fisher got a late equaliser. It was his only first team goal of the season.

STOKE CITY

Foundation: The date of the formation of this club has long been in doubt. The year 1863 was claimed, but more recent research by Wade Martin has uncovered nothing earlier than 1868, when a couple of Old Carthusians, who were apprentices at the local works of the old North Staffordshire Railway Company, met with some others from that works, to form Stoke Ramblers. It should also be noted that the old Stoke club went bankrupt in 1908 when a new club was formed.

First Football League game: 8 September, 1888, Football League, v WBA (h) L 0-2 – Rowley; Clare, Underwood; Ramsey, Shutt, Smith; Sayer, McSkimming, Staton, Edge, Tunnicliffe.

Did you know: In the 1930s Arsenal twice broke the ground record at Stoke before helping to create the present record of 51,380 in March 1937. The Gunners were the first side to attract a gate of over 45,000 to the Victoria Ground for a game involving Stoke – 45,348 in 1934 and beat this in 1935 with 45,470.

SUNDERLAND

Foundation: A Scottish schoolmaster named James Allan, working at Hendon Boarding School, took the initiative in the foundation of Sunderland in 1879 when they were formed as The Sunderland and District Teachers' Association FC at a meeting in the Adults School, Norfolk Street. Because of financial difficulties, they quickly allowed members from outside the teaching profession and so became Sunderland AFC in October 1880.

First Football League game: 13 September, 1890, Football League, v Burnley (h) L 2-3 – Kirtley; Porteous, Oliver; Wilson, Auld, Gibson; Spence (1), Miller, Campbell (1), Scott, D. Hannah.

Did you know: The first time 10 goals were scored in a League game at Roker Park was on 19 January 1907 when Sunderland came back from 4-1 down at half-time to draw 5-5 in a thrilling tussle with Liverpool.

SWANSEA CITY

Foundation: The earliest Association Football in Wales was played in the Northern part of the country and no international took place in the South until 1894, when a local paper still thought it necessary to publish an outline of the rules and an illustration of the pitch markings. There had been an earlier Swansea club, but this has no connection with Swansea Town (now City) formed at a public meeting in June 1912.

First Football League game: 28 August, 1920, Division 3, v Portsmouth (a) L 0-3 – Crumley; Robson, Evans; Smith, Holdsworth, Williams; Hole, I. Jones, Edmundson, Rigsby, Spottiswood.

Did you know: During their initial First Division season (1981–82) no less than nine of Swansea's players won full international caps – all for Wales.

SWINDON TOWN

Foundation: It is generally accepted that Swindon Town came into being in 1881, although there is no firm evidence that the club's founder, Rev. William Pitt, captain of the Spartans (an offshoot of a cricket club) changed his club's name to Swindon Town before 1883, when the Spartans amalgamated with St. Mark's Young Men's Friendly Society.

First Football League game: 28 August, 1920, Division 3, v Luton T (h) W 9-1 – Nash; Kay, Macconachie; Langford, Hawley, Wareing; Jefferson (1), Fleming (4), Rogers, Batty (2), Davies (1). 1 o.g.

Did you know: Local discovery Archie Bown's feat of scoring all six goals for Swindon in a Southern League game with Watford in a Southern League game, 6 April 1915, is still a club record for a first team game.

TORQUAY UNITED

Foundation: The idea of establishing a Torquay club was agreed by old boys of Torquay College and Torbay College, while sitting in Princess Gardens listening to the band. A proper meeting was subsequently held at Tor Abbey Hotel at which officers were elected. This was in 1898 and the club's first competition was the Eastern League (later known as the East Devon League).

First Football League game: 27 August, 1927, Division 3(S), v Exeter C (h) D 1-1 – Millsom; Cook, Smith; Wellock, Wragg, Connor, Mackey, Turner (1), Jones, McGovern, Thomson.

Did you know: Beginning 1931–32 with only 15 players injuries soon cut that number to nine and before the season's fifth game (at Mansfield) they had to sign one of the previous season's players. However, the game at Mansfield brought their first win of the season 4-2.

TOTTENHAM HOTSPUR

Foundation: The Hotspur Football Club was formed from an older cricket club in 1882. Most of the founders were old boys St. John's Presbyterian School and Tottenham Grammar School. The Casey brothers were well to the fore as the family provided the club's first goalposts (painted blue and white) and their first ball. They soon adopted the local YMCA as their meeing place, but after a couple of moves settled at the Red House, which is still their headquarters, although now known simply as 748 High Road.

First Football League game: 1 September, 1908, Division 2, v Wolverhampton W (h) W 3-0 – Hewitson; Coquet, Burton; Morris (1), Steel (D), Darnell; Walton, Woodward (2), Macfarlane, R. Steel, Middlemiss.

Did you know: Spurs called on only 17 players for the 49 games when they completed the 'Double' in 1960–61. Three of these made only one appearance each while Henry, Blanchflower and Allen were ever present.

WALSALL

Foundation: Two of the leading clubs around Walsall in the 1880s were Walsall Swifts (formed 1877) and Walsall Town (formed 1879). The Swifts were winners of the Birmingham Senior Cup in 1881, while the Town reached the 4th round (5th round modern equivalent) of the FA Cup in 1883. These clubs amalgamated as Walsall Town Swifts in 1888, becoming simply Walsall in 1895.

First Football League game: 3 September, 1892, Division 2, v Darwen (h) L 1-2 – Hawkins; Withington, Pinches; Robinson, Whitrick, Forsyth; Marshall, Holmes, Turner, Gray (1), Pangbourn.

Did you know: Centre-forward Gilbert Alsop was the only player to have scored as many as 40 goals+ in a season in both Division 3(S) and Division 3(N). A feat he achieved in successive seasons 1933–34 – 1934–35.
+Some records credit him with 39 goals in that latter season.

WATFORD

Foundation: Tracing this club's foundation proves difficult. Nowadays it is suggested that Watford was formed as Watford Rovers in 1891. Another version is that Watford Rovers were not forerunners of the present club whose history began in 1898 with the amalgamation of West Herts and Watford St. Mary's.

First Football League game: 28 August, 1920, Division 3, v QPR (a) W 2-1 – Williams; Horseman, F. Gregory; Bacon, Toone, Wilkinson; Bassett, Ronald (1), Hoddinott, White (1), Waterall.

Did you know: In the 2nd round of the League Cup in 1980–81 Watford were beaten 4-0 at Southampton but won the 2nd leg 7-1 at Watford.

WEST BROMWICH ALBION

Foundation: There is a well known story that when employees of Salter's Spring Works in West Bromwich decided to form a football club in 1879, they had to send someone to the nearby Association Football stronghold of Wednesbury to purchase a football. A weekly subscription of 2d (less than 1p) was imposed and the name of the new club was West Bromwich Strollers.

First Football League game: 8 September, 1888, Football League, v Stoke (a) W 2-0 – Roberts; J. Horton, Green; E. Horton, Perry, Bayliss; Bassett, Woodhall (1), Hendry, Pearson, Wilson (1).

Did you know: In 1973–74 Albion's top scorer Tony Brown netted a total of seven goals in consecutive games at Nottingham. He got a hat-trick against Notts County in a 4-0 FA Cup victory and the following week scored four in a 4-1 League win over Nottingham Forest.

WEST HAM UNITED

Foundation: Thames Ironworks FC was formed by employees of this shipbuilding yard in 1895 and entered the FA Cup in their initial season at Chatham and the London League in their second. Short of funds, the club was wound up in June 1900 and relaunched a month later as West Ham United. Connection with the Ironworks was not finally broken until four years later.

WOLVERHAMPTON WANDERERS

Foundation: Another club where precise details of information are confused, due in part to the existence of an earlier Wolverhampton club which played rugby. However, it is now considered likely that it came into being in 1879 when players from St. Luke's (founded 1877) and Goldthorn (founded 1876) broke away to form Wolverhampton Wanderers Association FC.

First Football League game: 8 September, 1888, Football League, v Aston Villa (h) D 1-1 – Baynton; Baugh, Mason; Fletcher, Allen, Lowder; Hunter, Cooper, Anderson, White, Cannon. Scorer – Cox o.g.

Did you know: But for his international commitments Billy Wright's longest run of consecutive League games for Wolves would have been 88. However, England matches did not interfere with FA Cup ties and he made 44 consecutive appearances for Wolves in this competition 1947–59.

WREXHAM

Foundation: The oldest club still in existence in Wales, Wrexham was founded in 1873 by a group of local businessmen initially to play a 17-a-side game against the Provincial Insurance team. By 1875 their team formation was reduced to 11 men and a year later they were among the founders of the Welsh FA.

First Football League game: 27 August, 1921, Division 3(N), v Hartlepools U (h) L 0-2 – Godding; Ellis, Simpson; Matthias, Foster, Griffiths; Burton, Goode, Cotton, Edwards, Lloyd.

Did you know: Dixie McNeil scored for Wrexham in 10 consecutive Cup ties (total 13 goals) from November 1977 to February 1979. Indeed, around this time he only failed to score in one of 14 actual appearances in this competition.

YORK CITY

Foundation: Although there was a York City club formed in 1903 by a soccer enthusiast from Darlington, this has no connection with the modern club because it went out of existence during World War I. Unlike many others of that period who restarted in 1919, York City did not re-form until 1922 and the tendency now is to ignore the modern club's pre-1922 existence.

First Football League game: 31 August, 1929, Division 3(N), v Wigan Borough (a) W 2-0 – Farmery; Archibald, Johnson; Beck, Davis, Thompson; Evans, Gardner, Cowie (1), Smailes, Stockhill (1).

Did you know: Because he wouldn't leave his job in a York chocolate factory Reg Baines restricted his career to Yorkshire clubs – York City(twice), Sheffield United, Doncaster Rovers, Barnsley and Halifax Town. He scored all of City's goals when they beat West Bromwich Albion 3-2 in the FA Cup in 1938.

Managers (and Secretary-managers)
Bill Sherrington 1924–60 (was secretary for most of this time but virtually secretary-manager for a long pre-war spell), John Collier 1929–36, Tom Mitchell 1936–50, Dick Duckworth 1950–52, Charlie Spencer 1952–53, Jimmy McCormick 1953–54, Sam Bartram 1956–60, Tom Lockie 1960–67, Joe Shaw 1967–68, Tom Johnston 1968–75, Wilf McGuinness 1975–77, Charlie Wright 1977–80, Barry Lyons 1980–81, Denis Smith 1982–87, Bobby Saxton 1987–88, John Bird October 1988– .

END OF SEASON PLAY-OFFS 1990–91

The play-off system, which has done as much as anything to increase interest in the Football League competition in recent years, was let down at the final hurdle at Wembley, when the Fourth Division game between Blackpool and Torquay United was settled by that most unsatisfactory of methods — the penalty shoot-out.

This lottery produced a 5-4 win for Torquay following extra time, but such an outcome did nothing to enhance the wretched reputation of this most misguided vehicle for deciding football matches. Nonetheless it enabled Torquay to gain promotion to the Third Division for the first time in 19 years.

They had been the underdogs in the semi-final against Burnley, who threw away their chances at Torquay in the first leg when they lost 2-0 after having David Hamilton sent off. Moreover at Turf Moor, Burnley could only win with a last minute own goal which was not enough over the two legs.

Blackpool had been pushed all the way by Scunthorpe United before emerging as 3-2 winners overall. United had excelled themselves in drawing their home game 1-1 even though Steve Lister had been dismissed for dissent as early as the 19th minute.

Tranmere Rovers needed the aid of extra time to overcome Bolton Wanderers at Wembley with substitute Chris Malkin scoring the only goal in the 98th minute. Rovers were thus promoted to the Second Division for the first time in 52 years.

They had edged out Brentford in the semi-final 3-2, although the West London club had only salvaged a draw with a last gasp effort from Kevin Godfrey at 2-2 in the first leg at Griffin Park. Bolton were given a tough time by fellow Lancastrians Bury before winning 2-1 on aggregate. It was the second time Bolton had failed in the play-offs.

The Division Two winners proved to be Notts County who had ended the regular season's schedule with seven successive victories and were clearly in tip-top form. In the semi-final they held Middlesbrough 1-1 at Ayresome Park, restricting their opponents to a goal four minutes from the final whistle. At home they won 1-0.

Meanwhile Brighton had overcome a heavy injury list and beaten Millwall in convincing fashion. At the Goldstone, they won 4-1 and completed the double with a 2-1 win at The Den. But at Wembley they found Notts County a far more formidable proposition.

Tommy Johnson put Notts in front after half-an-hour and made it 2-0 on the hour. Dave Regis made it 3-0 in the 70th minute and Brighton's only consolation came in the dying seconds when Dean Wilkins scored. It was the second successive season that Notts had gained promotion through the play-offs and put them back in the First Division after an absence of seven years.

The above figures do not include games played at the start of season 1939–40 before the competition was abandoned because of the outbreak of World War II, nor do they include the old end-of-season Test matches or the modern Play-offs.

* Includes the original club known simply as Accrington but none of the games played during season 1961–62 when they resigned from the League.

[1] Includes Burton Swifts who amalgamated with Burton Wanderers to form Burton United in 1901.

[2] Includes Leeds City and the eight games played 1919–20.

[3] Includes only 34 games played 1919–20 when took over from Leeds City.

[4] Including Rotherham County who amalgamated with Rotherham Town to form Rotherham United in 1925.

[5] Games played in season 1931–32 prior to their resignation on 26 October were expunged from the record and therefore not included in these figures.

The Things they said . . .

Irving Scholar (Tottenham Hotspur):
"I have maintained all along that Gary Lineker and Paul Gascoigne would not be sold and nothing has changed." 2 November 1990.

John Major:
"I watched Chelsea long before I got into politics and I will be watching them long after I've left." 30 November 1990.

Joe Jordan, Bristol City manager on turning down the Aston Villa job:
"My reasons for staying are all about what is going on at Bristol City. There is vast potential at Ashton Gate." 17 July 1990.

Joe Jordan on becoming Hearts manager:
"I reached the decision after a sleepless night." 19 September 1990.

John Major after watching Arsenal beat Aston Villa 5-0 on 3 April and on their championship prospects:
"If they keep on playing like that they will win. I was very impressed with them. They looked a super team."

Gordon Taylor, PFA Chief Executive championing the Football League structure:
"When you look at our strength: 92 clubs, 2000 professionals, 1250 trainees, the community programme gaining ground and attendances going up again, the signs are not bad." April 1991.

Gary Lineker looking ahead to whether he will be able to play in the European Championship 1992 and World Cup 1994:
"I don't know really. I would hope Sweden wouldn't be a problem. But you never really know when your legs go in this game, so they say. You're always the first to know."

Graeme Souness after his appointment as Liverpool manager:
"I guarantee we will attempt to play the same kind of football Liverpool have played since a long time before I was a player there."

Bill Fox, Football League President on the Super League:
"We already have a Super League—it's called the First Division and we think that will still be in place in years to come.'

Ron Noades, Crystal Palace chairman:
"When I advocated a return to a 22-member First Division last year only two First Division clubs voted against it—Arsenal and Tottenham Hotspur. And Irving Scholar, the Tottenham chairman, only made his decision after tossing a coin."

Glen Kirton, head of external affairs at the Football Association:
"Every World Cup is now a major security headache anyway and who does FIFA come to ask about security? It is us."

Charles Hughes, the FA's director of coaching:
"What we seek to do is to find a circumstance where clubs can be even better. They will be if the stress and strain on those players is reduced. The demands on our players are greater than those on our Continental opponents."

Graham Kelly, Chief Executive of the Football Association:
"It is nonsense to say that clubs will go to the wall. If we get things right at the top of the game there will be plenty of money flowing into the game and I do not see any evidence for the initial fears that have been expressed."

Gordon Taylor, Chief Executive of the Professional Footballers Association:
"The FA is trying to diminish the Football League and, with it, most of the professional clubs in this country. Its blueprint is a way for the leading clubs to seize virtually all the money leaving the remaining clubs to wither and for some die."

Ron Atkinson on changing his mind about not leaving Sheffield Wednesday for Aston Villa:
"I know I have let a lot of Wednesday fans down, but when the dust has settled, I hope they can look back on some memorable days together."

Rick Parry, newly elected chairman of the First Division clubs on the Founder Members Agreement:
"We all trust one another, but it would be foolish to go ahead without protection. The clubs want to know that wherever they are going, they are going together."

David Platt (Aston Villa):
"In Ron Atkinson and Graham Taylor I think I'm playing for the two managers best equipped to help me realise my dream of lifting a trophy with Villa and helping England to victory in the 1992 European Championships."

Arthur Sandford, Chief Executive of the Football League, commenting on the Gallup survey which revealed that 68 per cent of supporters interviewed including 46 per cent of the 'Big Five'—Arsenal, Everton, Liverpool, Manchester United and Tottenham Hotspur—were opposed to the Super League:
"An overwhelming majority of the fans are convinced the Super League idea is a bad thing for English professional football."

Alex Ferguson (Manchester United) after winning the Cup-Winners' Cup:
"It was nerve-racking at the end. But we got there and that is the main thing."

George Graham (Arsenal) after winning the championship:
"Our success is down to all the work we've put in over the last nine months."

FOOTBALL TRUST

The Football Trust has approved further grant-aid offers to assist clubs to implement the Taylor Report. The Trust, which was founded through an initiative by Littlewoods, Vernons and Zetters, has announced grant-aid of £7.64m to clubs in the Football League and Scottish Football League towards the cost of proposed safety and improvements projects. The Trust's total allocation of funds to help clubs meet the required standards of safety and comfort, thus far, stands at £16m.

Coventry City are among the major beneficiaries of the Football Trust's latest series of Taylor-related grants. The First Division club have been awarded support of up to £2m towards the construction of a new East Stand and roofing for the North Stand at Highfield Road.

Newcastle United receive £1.4m towards the redevelopment of the North Stand at the Leazes End; Portsmouth, £1m towards the 3,750 seater stand at the Fratton Park End and Scottish First Division side Hamilton Academical receive £500,000 for the construction of a new stadium.

The latest major projects to receive Football Trust approval are detailed below:

MAJOR PROJECTS: GRANTS APPROVED

	Project	Minimum cost of project £	Grant approved £
Football League			
Bradford City	Family stand	600,000	420,000
Coventry City	New stand	4,000,000	2,000,000
Hartlepool United	All-seater stand	300,000	225,000
Newcastle United	Redevelop North Stand	4,000,000	1,400,000
Oldham Athletic	Develop Chadderton Stand	921,000	500,000
Portsmouth	All-seater stand	2,350,000	1,000,000
York City	New covered stand	200,000	100,000
Scottish Football League			
Brechin City	New stand	300,000	210,000
Hamilton Academical	New stadium	7,850,000	500,000
	TOTAL	20,521,000	6,355,000

At its March meeting, the Trust confirmed grant-aid support to 51 clubs assisting safety and improvements projects, the installation of electronic turnstiles and security measures including the provision of police control rooms. The estimated cost of these recently approved projects totals £22.3m.

Peter Lee, Secretary of the Football Trust, commented: "These grants confirm that the Trust is on course to allocate the first year's income from the reduction in pool betting duty. I am sure that the £20 million grant-aid mark will be met when further applications are considered at a special meeting of the Trust next week." He added: "The total cost to football of the latest projects — some £22 million — provides further evidence of the game's commitment to implementing Taylor. The clubs are making an enormous contribution from their own resources to seeing the task through."

The Football Trust has been chosen by the Government as the vehicle through which the proceeds of the 1990 Budget concession on pool betting duty are to be channelled to the game. The Government contributes some £20m annually from this source and a further £12m per annum continues to be donated through the generosity of Littlewoods, Vernons and Zetters from their Spotting-the-Ball competition. The greater part of this money is allocated to assist the professional game implement the Taylor recommendations. Safety work at League grounds remains of paramount importance and will continue to be grant-aided at 75 per cent of eligible approved expenditure. Grants are also available for improvements such as family enclosures, toilets, areas and facilities for people with disabilities and anti-hooligan initiatives such as CCTV and transport improvements. The remainder is spent on helping the game at grass roots level and includes safety and improvements work at clubs outside the full-time professional leagues and a wide variety of community based initiatives.

SCOTTISH CENTENARY CUP

The Scottish Season 1990–91

Once again Scotland stands on the threshold of an international final. Thanks to some stirring performances, we have it in our hands to reach the European finals, but there are tough games ahead. Once again, our international team has done well, and it carries our best wishes for the final games.

In the European club competitions, it was not a successful season. We long for some further success. All four teams fell at the second ditch: the Dons scorned their chances and could have no complaints at losing. Rangers were properly seen off in Belgrade, and although they held on in a good home game, it was not enough; still, Red Star did not do too badly in the subsequent rounds. Dundee United were perhaps the most disappointing: they lost heavily at home, and this was very unlike them. The last of the quartet, Hearts, had a splendid home win against Bologna, but just failed to do enough in the return.

The end of the league season proved to be one of the most interesting, and much was left to the last day to decide. First, however, came the decision to do without relegation from the Premier Division, and to increase the size of it to twelve clubs for the next season. Without going into the rights and wrongs of forty-four league matches in a season together with all the various cup games, the one thing this mid-season decision did was to make a nonsense of the bottom end of the Premier Division.

With the pressure off there might have been some more good games, but there was not much to show for it; the lack of competitive edge inevitably led to a half season when teams were playing for pride – and there seemed little enough of that in some quarters. Even three up and one down would have been better for the one season, but that would never have been agreed to.

At the top of the Premier, the High Noon shoot-out at Ibrox was a magnificent finale, and Rangers won it. They had looked certain winners since Christmas, but Aberdeen had gradually whittled away the lead and it was to their excellent run of performances that this finale owed its tenseness and caused Rangers to pull out all the stops.

For Walter Smith, newly in the hot seat, it must have been a relief. He assumed the mantle when Graeme Souness elected to move south. Souness' contribution to Scottish football must not be underestimated for he gave a new impetus to the Premier and caused other clubs to have a searching look at themselves. Rangers, with their vast resources and superb facilities, have led the field in more ways than one.

It was a different picture for Celtic. Although in the end they managed to filch a place in Europe, the lack of overall success inevitably meant the removal of that great servant to the club and to Scotland, Billy McNeill. It was a pity that the manner of his departure was not handled in the most tactful way; nowadays that does not seem to matter much in business. His successor, Liam Brady, also has a top pedigree as a player, but is so far untried in management: we wish him luck. Scottish football is always the better for a strong challenge at the top of the league.

Falkirk and Airdrie move up to the Premier Division, and Dundee are left to rue important points lost to clubs at the foot of the table in mid-season. These three teams had a battle-royal for the top two places with Partick, Kilmarnock and Hamilton in a supporting role. It was not settled until the final day of the season, though Falkirk had booked their promotion place earlier in the last week; they finished as champions – a far cry from the terrible start to the league season. Jim Jefferies could be proud of his team's success.

The First Division did not confine its interest to the top end. There was a good fight at the lower end of the table to avoid relegation; it looked to be two from Brechin, Clyde and Forfar, though other teams could not breathe safely till the final days of the season. In the end Forfar managed to pull away confidently.

Stirling in the Second Division were run-away champions. At last they had a good start to a season, so that their usual mid-season charge left them well clear at the top. The second place, however, was in doubt until the last game: Montrose had edged up through the field to assume the all important second spot before the final game, and they made no mistake. They had been hotly pursued by Cowdenbeath, who had a fine run, and Stenhousemuir, always there or thereabouts. The early pace setters, East Fife, slipped gradually down the table and ended in tenth place.

In the early rounds of the Skol Cup, Stranraer beat Airdrieonians and Clyde dismissed St Johnstone, newly promoted to the Premier Division. But it was Queen of the South who hit the headlines: after disposing of Montrose in the first round, they beat Dundee at home,

and then took the scalp of Dunfermline at East End Park before just losing to Celtic in the quarter-finals.

The semi-finals would have been the 'seeds' – if there had been seeding. The Old Firm took on the New Firm of Aberdeen and Dundee United, and on this occasion it was the Old Firm that won through to the final. There a Richard Gough goal in extra time saw Rangers take the trophy in a game which extended to extra time.

An innovation was the Centenary Cup. This was for the First and Second Divisions only, and proved a popular early-season addition to the calendar. Plenty of games went to extra time and penalties – Cowdenbeath reached the quarter-finals after a thrilling finish against Morton at Cappielow when the decisive penalty gave them an 8-7 win; after extra time the game had been goalless. Dundee beat Ayr United at Fir Park in the final, with the winning goal coming only five minutes before the end of extra time. It was a most successful competition, and well worth its scheduled repeat.

The Scottish Cup had its full quota of excitements: Highland League champions Ross County won away matches against Alloa and Queen of the South before succumbing against Meadowbank, while Inverness Thistle gave a good account of themselves in two games against East Fife. The Fifers nearly brought off the shock of the season in the next round against Dundee United when only a late goal deep into extra time gave United a replay, which itself went into extra time before the subsequent finalists won.

Their passage from there to the final was less stormy than Motherwell's. They had produced a minor shock by winning in the third round at Pittodrie; then they had a comfortable but none the less hard win against Falkirk before two games against Morton, which ended with Morton again losing on penalties. The semi-final was against Celtic who had already beaten Rangers. The first game was goalless, but in the replay Celtic were twice ahead before Motherwell caught them up early in the second half, and then delivered a one-two from which Celtic could not recover.

The final was an excellent family game, with plenty of excitement. United could well have been two ahead early on, but it was Motherwell who took the lead, and although the game went to extra time at three-all, it was Motherwell who took the trophy in the final minute. It was their first cup win since 1952, and a great boost for the town. Theirs was a fine all-round team display – but a mention has to be made of the inspirational performances of the ageless Davie Cooper.

For United there was again disappointment to add to that of losing in the last league game for a place in European competition. It was hard to bear, but they should take considerable satisfaction from a season in which their young team performed well overall and gained much in experience. Their turn must come soon.

Mark Hateley celebrates scoring the first of his two goals for Rangers against Aberdeen on the last day of the season which clinched the title for the Ibrox club. (Colorsport)

*Season 1921–22 – only 1 club promoted, 3 clubs relegated.

The Scottish Football League was reconstructed into three divisions at the end of the 1974–75 season, so the usual relegation statistics do not apply. Further reorganisation took place at the end of the 1985–86 season. From 1986–87, the Premier and First Division had 12 teams each. The Second Division remains at 14. From 1988–89, the Premier Division reverted to 10 teams, and the First Division to 14 teams.

NORTHERN IRISH FOOTBALL 1990–91

Mid-Ulster clubs dominated Northern Ireland domestic football in the 1990–91 season with Portadown retaining the Smirnoff Irish League championship and winning the Bass Irish Cup for the first time in their history. It was a remarkable and deserved double by a team which revealed skill, flair, goal-scoring power and consistency.

Portadown also won the Lombard Ulster Cup, Budweiser Cup and Ronnie McFall was named Manager of the Year, while arch rivals Glenavon, beaten Cup finalists, collected three trophies. Bangor finished runners-up and gained a UEFA Cup place.

For the second successive year Linfield, so long the dominant club of Irish football, failed to qualify for Europe and so, too, did Glentoran, although they were constant championship challengers to Portadown throughout the season.

Yet again the Irish League, completing a successful centenary season, have had all competitions commercially backed with the Football Trust announcing there would be a substantial increase in the £300,000 grant aid allocated to the 16 clubs over the next two years for ground improvements.

Internationally, it was a season of mixed fortunes, some promising results by a team which, under manager Billy Bingham, has revealed signs of maturing and development. But then came the let down in the 1-1 draw against the fledgling Faroe Islands at Windsor Park on a night when forwards should have scored half a dozen goals. Good build-up and 90 per cent possession, however, came to nothing.

The Irish FA hit the jackpot with a £200,000 three year sponsorship by Vauxhall for internationals at all levels. The package also includes marketing and promotional incentives in an attempt to regenerate interest in and awareness of the game in the build-up to the 1994 World Cup finals. The cash input has also enabled the IFA to appoint a commercial manager.

There were some surprise managerial changes. Bertie McMinn quit Ards, Roy Coyle, formerly with Linfield, took over but left Castlereagh Park in early May to join League of Ireland side Derry City.

Alex McKee resigned from Ballymena United with Jim Hagan, ex-Coventry City and Birmingham centre-half, taking over; Paul Malone moved from Larne to Ards; Paul McAnea departed from Omagh Town with Roy McCreadie (Portadown) nominated as his successor.

Belfast Celtic, who withdrew from football in 1949, but still function as a limited company, held their centenary dinner at the Europa Hotel, Belfast, in April — a glittering, nostalgic affair attended by more than 400 including many ex-players from all parts of the world, officials of the various Football Associations' all Irish League clubs and Jack McGinn, Glasgow Celtic chairman. It was presided over by Harry Walker, last captain of Celtic who also unveiled a plaque at the Park Shopping Complex on the Donegal Road — the site of Celtic Park or Paradise as it was known to the fans.

The Intermediate League side Donegal Celtic were again unable to play their Irish Cup matches against a senior side at home. They were scheduled to meet Ards in a replay but police refused them permission on the grounds of security and public order and, after consultations with the IFA, the club decided to withdraw from the competition for the second successive season.

FOOTBALL AND THE LAW

Football and the law hardly could avoid each other during season 1990–91, both on and off the field, in the Council Chamber and in Court.

The domestic dimension peaked with the public order conflict between Manchester United and Arsenal at Old Trafford before Christmas 1990. The police were content to let the punishment fit the crime within the FA's jurisdiction, and this produced two original dimensions.

Each club was fined substantially by the FA, who also deducted Football League points. More significantly, Arsenal's directorate fined its manager. After the Championship had been won, Arsenal's chairman was reported in the London *Evening Standard* to have called the potentially destructive penalty, 'a silly decision'. Perhaps it was not so silly if it had the desired effect to warn everyone at Highbury, Old Trafford and beyond, of the consequences of field misconduct and, indeed, ultimately shaped the season's ultimate success.

A more permanent domestic sanction within the game was FIFA's decision belatedly to accept the FA's proposal and operate a mandatory red card for the so-called professional foul. Sadly, the consequences of uniform or consistent interpretation was never thought through, and Keith Hackett's debatable application of it to the tackle by West Ham United's Tony Gale in the FA Cup semi-final against Nottingham Forest highlighted the problem.

Elsewhere Tottenham Hotspur were never far away from the legal columns. The Stock Exchange suspended share dealings in its holding company Tottenham Hotspur Plc, and Paul Gascoigne suffered a set-back when he failed in the Chancery Division of the High Court to injunct publication of an unauthorised biography.

Finally, since the law also stems from Parliament in addition to the Courts the Home Affairs Committee of the House of Commons published a Report on Policing Football Hooliganism and also a Bill which will become law before season 1991–92 to outlaw disorderly conduct including throwing missiles.

If it had existed in 1984, Reading Football Club might have been able to avoid the disorderly conduct which ended in the High Court with a substantial damages award to police officers who had been injured with materials picked up by spectators from within the ground, for which the club was held responsible.

As Parliament extends its control, and clubs become responsible in the manner manifested by the Arsenal directorate, football will perhaps need less of the law than it has this season and in the past. Only time and the conduct of all involved within the game can tell how far this could ever be possible.

EDWARD GRAYSON

Barclays Bank Manager of the Year George Graham of Arsenal receives his award—the Barclays trophy and a Barclays Higher Rate Deposit Account Cheque for £5,000—from Barclays Chairman, Sir John Quinton. It was George's second Manager of the Year award in three seasons.

The latest available information has been given regarding numbers of clubs and players registered with FIFA, the world governing body. Where known, official colours are listed. With European countries, League tables show a number of signs. * indicates relegated teams, +play-offs, *+relegated after play-offs. In Yugoslavia, drawn matches result in penalty shoot-outs, the winners receiving a point.

There are 165 FIFA members. These include the four home countries, England, Scotland, Northern Ireland and Wales, dealt with elsewhere in the Yearbook; but basic details appear in this directory.

BRITISH AND IRISH INTERNATIONAL GOALSCORERS SINCE 1872

Where two players with the same surname and initials have appeared for the same country, and one or both have scored, they have been distinguished by reference to the club which appears *first* against their name in the international appearances section (pages 812–859). Unfortunately, four of the scorers in Scotland's 10-2 victory v Ireland in 1888 are unknown, as is the scorer of one of their nine goals v Wales in March 1878.

GM VAUXHALL CONFERENCE 1990–91

Barnet secured the championship on the last Saturday of the season with a 4-2 win at Fisher Athletic. They only had to avoid defeat as they had a vastly superior goal difference to Colchester United, who thus just failed to return to the Football League after one season.

It was an outstanding season for the competition which saw Kettering Town emerge as the favourites for many months only to be overshadowed by Altrincham's undefeated run of 28 matches. But a backlog of fixtures eventually took their toll of Altrincham who finished third.

Barnet's success ended a five year wait for promotion during which they had finished runners-up on three occasions. They scored 103 goals and averaged crowds of 2,918 at Underhill.

WOMEN'S NATIONAL LEAGUE

Just twenty-one years after the establishment of the Women's Football Association, the organisation has initiated a far reaching restructuring programme which has resulted in the formation of the first ever Women's National League. The National League will consist of a Premier Division supported by divisions one north and south; each will comprise eight clubs.

The restructuring, which follows closely the pyramid model established by the leading non-league clubs in 1979, is designed to provide a focus for the game as it attempts to build upon the successes of recent years.

Membership of the Women's Football Association has grown by over 50 per cent in two years, and the sport has achieved consistently high viewing figures following the first television coverage by Channel 4 in 1989. Indeed April's England v Scotland match attracted an audience of 2.4 million, knocking "Gazza's Soccer School" from its number one position in the Channel 4 sports ratings.

BARCLAYS BANK MANAGER OF THE YEAR 1990–91

George Graham of Barclays League Champions Arsenal, was named Barclays Bank Manager of the Year for the second time in three years by a panel of 30 leading football journalists and commentators. He received the Barclays trophy and a Barclays Higher Rate Deposit Account cheque for £5,000 prior to the Gunners last home match of the seasons. The presentation was made by Sir John Quinton, chairman of Barclays Bank.

It was Graham's twelfth managerial award in eight years – his eighth in the past five years since being appointed at Arsenal: the first four were at Millwall.

It is the fifth time a Scot has won the award in the past six years – Kenny Dalglish, having received the accolade in 1986, 1988 and 1990; and the ninth time a Scot has taken the top manager title in 26 years (Jock Stein in 1966 and 1967, Matt Busby in 1968 and Bill Shankly in 1973).

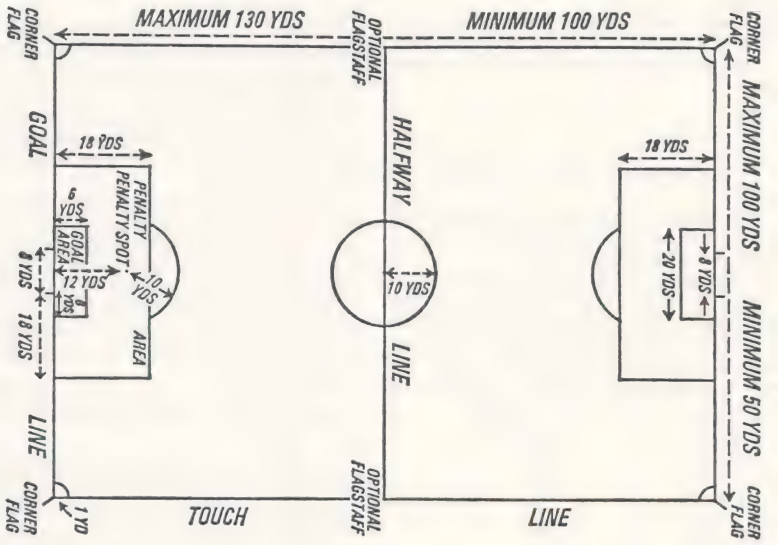
LAWS OF THE GAME

The Laws of the Game and Decisions of the International Board that follow are reproduced with the special permission of FIFA, and the text is the official text as published by FIFA.

LAW I

THE FIELD OF PLAY

The Field of Play and appurtenances shall be as shown in the following plan:



(1) **Dimensions.** The field of play shall be rectangular, its length being not more that 130 yards nor less than 100 yards, and its breadth not more than 100 yards nor less than 50 yards. (In International Matches the length shall be not more than 120 yards nor less than 110 yards and the breadth not more than 80 yards nor less than 70 yards.) The length shall in all cases exceed the breadth.

(2) **Marking.** The field of play shall be marked with distinctive lines, not more than 5 inches in width, not by a V-shaped rut, in accordance with the plan, the longer boundary lines being called the touch-lines and the shorter the goal-lines. A flag on a post not less than 5ft high and having a non-pointed top, shall be placed at each corner; a similar flag-post may be placed opposite the half-way-line on each side of the field of play, not less than 1 yard outside the touch-line. A half-way-line shall be marked out across the field of play. The centre of the field of play shall be indicated by a suitable mark and a circle with a 10 yards radius shall be marked around it.

(3) **The Goal-Area.** At each end of the field of play two lines shall be drawn at right-angles to the goal-line, 6 yards from each goal-post. These shall extend into the field of play for a distance of 6 yards and shall be joined by a line drawn parallel with the goal-line. Each of the spaces enclosed by these goal-lines and the goal-line shall be called a goal-area.

(4) **The Penalty-Area.** At each end of the field of play two lines shall be drawn at right angles to the goal-line, 18 yards from each goal-post. These shall extend into the field of play for a distance of 18 yards and shall be joined by a line drawn parallel with the goal-line. Each of the spaces enclosed by these lines and the goal-line shall be called a penalty-area. A suitable mark shall be made within each penalty area, 12 yards from the mid-point of the goal-line, measured along an undrawn line at right-angles thereto. These shall be the penalty-kick marks. From each penalty-kick mark an arc of a circle, having a radius of 10 yards, shall be drawn outside the penalty-area.

(5) **The Corner Area.** From each corner-flag post a quarter circle, having a radius of 1 yard, shall be drawn inside the field of play.

(6) **The Goals.** The goals shall be placed on the centre of each goal-line and shall consist of two upright posts, equidistant from the corner-flags and 8 yards apart (inside measurement), joined by a horizontal cross-bar the lower edge of which shall be 8ft from the ground. The width and depth

of the goal-posts and the width and depth of the cross-bars shall not exceed 5 inches (12cm). The goal-posts and the cross-bars shall have the same width.

Nets may be attached to the posts, cross-bars and ground behind the goals. They should be appropriately supported and be so placed as to allow the goal-keeper ample room.

Footnote

Goal nets. The use of nets made of hemp, jute or nylon is permitted. The nylon strings may, however, not be thinner than those made of hemp or jute.

Decisions of the International Board

(1) In International Matches the dimensions of the field of play shall be: maximum 110 × 75 metres; minimum 100 × 64 metres.

(2) National Associations must adhere strictly to these dimensions. Each National Association organising an International Match must advise the visiting Association, before the match, of the place and the dimensions of the field of play.

(3) The Board has approved this table of measurements for the laws of the Game:

130 yards	... 120 metres

(4) The goal-line shall be marked the same width as the depth of the goal-posts and the cross-bar, so that the goal-line and goal-post will conform to the same interior and exterior edges.

(5) The 6 yards (for the outline of the goal-area) and the 18 yards (for the outline of the penalty-area) which have to be measured along the goal-line, must start from the inner sides of the goal-posts.

(6) The space within the inside areas of the field of play includes the width of the lines marking these areas.

(7) All Associations shall provide standard equipment, particularly in International Matches, when the laws of the Game must be complied with in every respect and especially with regard to the size of the ball and other equipment which must conform to the regulations. All cases of failure to provide standard equipment must be reported to FIFA.

(8) In a match played under the Rules of a Competition, if the cross-bar becomes displaced or broken, play shall be stopped and the match abandoned unless the cross-bar has been repaired and replaced in position or a new one provided without such being a danger to the players. A rope is not considered to be a satisfactory substitute for a cross-bar.

In a Friendly Match, by mutual consent, play may be resumed without the cross-bar provided it has been removed and no longer constitutes a danger to the players. In these circumstances, a rope may be used as a substitute for a cross-bar. If a rope is not used and the ball crosses the goal-line at a point which in the opinion of the Referee is below where the cross-bar should have been, he shall award a goal.

The game shall be restarted by the Referee dropping the ball at the place where it was when play was stopped.

(9) National Associations may specify such maximum and minimum dimensions for the cross-bars and goal-posts, within the limits laid down in Law I, as they consider appropriate.

(10) Goal-posts and cross-bars must be made of wood, metal or other approved material as decided from time to time by the International FA Board. They may be square, rectangular, round, half-round or elliptical in shape. Goal-posts and cross-bars made of other materials and in other shapes are not permitted. The goal-posts must be of white colour.

(11) 'Curtain-raisers' to International Matches should only be played following agreement on the day of the match, and taking into account the condition of the field of play, between representatives of the two Associations and the Referee (of the International Match).

(12) National Associations, particularly in International Matches, should

— restrict the number of photographers around the field of play.

— have a line ('photographers' line') marked behind the goal-lines at least 2 metres from the corner flag going through a point situated at least 3.5 metres behind the intersection of the goal-line with the line marking the goal area to a point situated at least 6 metres behind the goal-posts.

— prohibit photographers from passing over these lines.

— forbid the use of artificial lighting in the form of 'flashlights'.

LAW II – THE BALL

The ball shall be spherical; the outer casing shall be of leather or other approved materials. No material shall be used in its construction which might prove dangerous to the players.

The circumference of the ball shall not be more than 28in and not less than 27in. The weight of the ball at the start of the game shall not be more than 16oz nor less than 14oz. The pressure shall be equal to 0.6–1.1 atmosphere (=600–1100g/cm^2) at sea level. The ball shall not be changed during the game unless authorised by the Referee.

Decisions of the International Board

(1) The ball used in any match shall be considered the property of the Association or Club on whose ground the match is played, and at the close of play it must be returned to the Referee.

(2) The International Board, from time to time, shall decide what constitutes approved materials. Any approved material shall be certified as such by the International Board.

(3) The Board has approved these equivalents of the weights specified in the Law: 14 to 16 ounces = 396 to 453 grams.

(4) If the ball bursts or becomes deflated during the course of a match, the game shall be stopped and restarted by dropping the new ball at the place where the first ball became defective.

(5) If this happens during a stoppage of the game (place-kick, goal-kick, corner-kick, free-kick, penalty-kick or throw-in) the game shall be restarted accordingly.

LAW III – NUMBER OF PLAYERS

(1) A match shall be played by two teams, each consisting of not more than eleven players, one of whom shall be the goalkeeper.

(2) Substitutes may be used in any match played under the rules of an official competition under the jurisdiction of FIFA, Confederations or National Associations, subject to the following conditions:

(a) that the authority of the international association(s) or national association(s) concerned, has been obtained.

(b) that, subject to the restriction contained in the following paragraph (c), the rules of a competition shall state how many, if any, substitutes may be nominated and how many of those nominated may be used.

(c) that a team shall not be permitted to use more than two substitutes in any match, who must be chosen from not more than five players whose names may (subject to the rules of the competition) be required to be given to the referee prior to the commencement of the match.

(3) Substitutes may be used in any other match, provided that the two teams concerned reach agreement on a maximum number, not exceeding five, and that the terms of such agreement are intimated to the Referee, before the match. If the Referee is not informed, or if the teams fail to reach agreement, no more than two substitutes shall be permitted. In all cases, the substitutes must be chosen from not more than five players whose names may be required to be given to the Referee prior to the commencement of the match.

(4) Any of the other players may change places with the goalkeeper, provided that the Referee is informed before the change is made, and provided also, that the change is made during a stoppage in the game.

(5) When a goalkeeper or any other player is to be replaced by a substitute, the following conditions shall be observed.

(a) the Referee shall be informed of the proposed substitution, before it is made.

(b) the substitute shall not enter the field of play until the player he is replacing has left, and then only after having received a signal from the Referee.

(c) he shall enter the field during a stoppage in the game, and at the half-way line.

(d) a player who has been replaced shall not take any further part in the game.

(e) a substitute shall be subject to the authority and jurisdiction of the Referee whether called upon to play or not.

(f) the substitution is completed when the substitute enters the field of play, from which moment he becomes a player and the player whom he is replacing ceases to be a player.

Punishment:

(a) Play shall not be stopped for an infringement of paragraph 4. The players concerned shall be cautioned immediately the ball goes out of play.

(b) If a substitute enters the field of play without the authority of the Referee, play shall be stopped. The substitute shall be cautioned or sent off according to the circumstances. The game shall be restarted by the Referee dropping the ball at the place where it was when play was stopped, unless it was within the goal-area at that time, in which case it shall be dropped on the part of the goal-area line which runs parallel to the goal-line, at the point nearest to where the ball was when play was stopped.

(c) For any other infringement of the Law, the player concerned shall be cautioned, and if the game is stopped by the Referee, to administer the caution, it shall be restarted by an indirect free-kick, to be taken by a player of the opposing team from the place where the ball was when play was stopped. If the free-kick is awarded to a team within its own goal-area, it may be taken from any point within that half of the goal-area in which the ball was when play was stopped.

(d) If a competition's rules require the names of substitutes to be given to the Referee prior to the commencement of the match, then failure to do so will mean no substitutes can be permitted.

Decisions of the International Board

(1) The minimum number of players in a team is left to the discretion of National Associations.

(2) The Board is of the opinion that a match should not be considered valid if there are fewer than seven players in either of the teams.

(3) A player who has been ordered off before play begins may be replaced only by one of the named substitutes. The kick-off must not be delayed to allow the substitute to join his team.

A player who has been ordered off after play has started may not be replaced.

A named substitute who has been ordered off, either before or after play has started, may not be replaced (this decision relates only to players who are ordered off under Law XII. It does not apply to players who have infringed Law IV).

(4) A player who has been replaced shall not take any further part in the game.

(5) For any offence committed on the field of play a substitute shall be subject to the same punishment as any other player whether called upon or not.

LAW IV – PLAYERS' EQUIPMENT

(1) (a) The basic compulsory equipment of a player shall consist of a jersey or shirt, shorts, stockings, shinguards and footwear.

(b) A player shall not wear anything which is dangerous to another player.

(2) Shinguards, which must be covered entirely by the stocking, shall be made of a suitable material (rubber, plastic, polyurethane or similar substance) and shall afford a reasonable degree of protection.

(3) Footwear (boots or shoes) must conform to the following standard.

(a) Bars shall be made of leather or rubber and shall be transverse and flat, not less than half an inch in width and shall extend the total width of the sole and be rounded at the corners.

(b) Studs which are independently mounted on the sole and are replaceable shall be made of leather, rubber, aluminium, plastic or similar material and shall be solid. With the exception of that part of the stud forming the base, which shall not protrude from the sole more than one quarter of an inch, studs shall be round in plan and not less than half an inch in diameter. Where studs are tapered, the minimum diameter of any section of the stud must not be less than half an inch. Where metal seating for the screw type is used, this seating must be embedded in the sole of the footwear and any attachment screw shall be part of the stud. Other than the metal seating for the screw type of stud, no metal plates even though covered with leather or rubber shall be worn, neither studs which are threaded to allow them to be screwed on to a base screw that is fixed by nails or otherwise to the soles of footwear, nor studs which, apart from the base, have any form of protruding edge rim or relief marking or ornament should be allowed.

(c) Studs which are moulded as an integral part of the sole and are not replaceable shall be made of rubber, plastic, polyurethene or similar soft materials. Provided that there are no fewer than ten studs on the sole, they shall have a minimum diameter of three-eighths of an inch (10mm). Additional supporting material to stabilise studs of soft materials, and ridges which shall not protrude more than 5mm from the sole and moulded to strengthen it, shall be permitted provided that they are in no way dangerous to other players. In all other respects they shall conform to the general requirements of this Law.

(d) Combined bars and studs may be worn, provided the whole conforms to the general requirements of this Law. Neither bars not studs on the soles or heels shall project more than three-quarters of an inch. If nails are used they shall be driven in flush with the surface.

The goalkeeper shall wear colours which distinguish him from the other players and from the Referee.

Punishment: For any infringement of this Law, the player at fault shall be sent off the field of play to adjust his equipment and he shall not return without first reporting to the Referee, who shall satisfy himself that the player's equipment is in order; the player shall only re-enter the game at a moment when the ball has ceased to be in play.

Decisions of the International Board

(1) In International Matches, International Competitions, International Club Competitions and friendly matches between clubs of different National Associations, the Referee, prior to the start of the game, shall inspect the players' equipment and prevent any player whose equipment does not conform to the requirements of this Law from playing until such time as it does comply. The rules of any competition may include a similar provision.

(2) If the Referee finds that a player is wearing articles not permitted by the Laws and which may constitute a danger to other players, he shall order him to take them off. If he fails to carry out the Referee's instruction, the player shall not take part in the match.

(3) A player who has been prevented from taking part in the game or a player who has been sent off the field for infringing Law IV must report to the Referee during a stoppage of the game and may not enter or re-enter the field of play unless and until the Referee has satisfied himself that the player is no longer infringing Law IV.

(4) A player who has been prevented from taking part in a game or who has been sent off because of an infringement of Law IV, and who enters or re-enters the field of play to join or rejoin his team, in breach of the conditions of Law XII(j), shall be cautioned. If the Referee stops the

game to administer the caution, the game shall be restarted by an indirect free-kick, taken by a player of the opposing side, from the place where the ball was when the Referee stopped the game. If the free-kick is awarded to a side within its own goal-area, it may be taken from any point within that half of the goal-area in which the ball was when play was stopped.

LAW V – REFEREES

A Referee shall be appointed to officiate in each game. The authority and the exercise of the powers granted to him by the Laws of the Game commence as soon as he enters the field of play.

His power of penalising shall extend to offences committed when play has been temporarily suspended, or when the ball is out of play. His decision on points of fact connected with the play shall be final, so far as the result of the game is concerned. He shall:

(a) Enforce the Laws.

(b) Refrain from penalising in cases where he is satisified that, by doing so, he would be giving an advantage to the offending team.

(c) Keep a record of the game, act as time-keeper and allow the full or agreed time, adding thereto all time lost through accident or other cause.

(d) Have discretionary power to stop the game for any infringement of the Laws and to suspend or terminate the game whenever, by reason of the elements, interference by spectators, or other cause, he deems such stoppage necessary. In such a case he shall submit a detailed report to the competent authority, within the stipulated time, and in accordance with the provisions set up by the National Association under whose jurisdiction the match was played. Reports will be deemed to be made when received in the ordinary course of post.

(e) From the time he enters the field of play, caution any player guilty of misconduct or ungentlemanly behaviour and, if he persists, suspend him from further participation in the game. In such cases the Referee shall send the name of the offender to the competent authority, within the stipulated time, and in accordance with the provisions set up by the National Association under whose jurisdiction the match was played. Reports will be deemed to be made when received in the ordinary course of post.

(f) Allow no person other than the players and linesmen to enter the field of play without his permission.

(g) Stop the game if, in his opinion, a player has been seriously injured, have the player removed as soon as possible from the field of play, and immediately resume the game. If a player is slightly injured, the game shall not be stopped until the ball has ceased to be in play. A player who is able to go to the touch or goal-line for attention of any kind, shall not be treated on the field of play.

(h) Send off the field of play, any player who, in his opinion, is guilty of violent conduct, serious foul play, or the use of foul or abusive language.

(i) Signal for recommencement of the game after all stoppages.

(j) Decide that the ball provided for a match meets with the requirement of Law II.

Decisions of the International Board

(1) Referees in International Matches shall wear a blazer or blouse the colour of which is distinct from the colours worn by the contesting teams.

(2) Referees for International Matches will be selected from a neutral country unless the countries concerned agree to appoint their own officials.

(3) The Referee must be chosen from the official list of International Referees. This need not apply to Amateur and Youth International Matches.

(4) The Referee shall report to the appropriate authority misconduct or any misdemeanour on the part of spectators, officials, players, named substitutes or other persons which take place either on the field of play or in its vicinity at any time prior to, during, or after the match in question so that appropriate action can be taken by the authority concerned.

(5) Linesmen are assistants of the Referee. In no case shall the Referee consider the intervention of a Linesman if he himself has seen the incident and from his position on the field, is better able to judge. With this reserve, and the Linesman neutral, the Referee can consider the intervention and if the information of the Linesman applies to that phase of the game immediately before the scoring of a goal, the Referee may act thereon and cancel the goal.

(6) The Referee, however, can only reverse his first decision so long as the game has not been restarted.

(7) If the Referee has decided to apply the advantage clause and to let the game proceed, he cannot revoke his decision if the presumed advantage has not been realised, even though he has not, by any gesture, indicated his decision. This does not exempt the offending player from being dealt with by the Referee.

(8) The Laws of the Game are intended to provide that games should be played with as little interference as possible, and in this view it is the duty of Referees to penalise only deliberate breaches of the Law. Constant whistling for trifling and doubtful breaches produces bad feeling and loss of temper on the part of the players and spoils the pleasure of spectators.

(9) By para. (d) of Law V the Referee is empowered to terminate a match in the event of grave disorder, but he has no power or right to decide, in such event, that either team is disqualified and thereby the loser of the match. He must send a detailed report to the proper

authority who alone has power to deal further with the matter.

(10) If a player commits two infringements of a different nature at the same time, the Referee shall punish the more serious offence.

(11) It is the duty of the Referee to act upon the information of neutral Linesmen with regard to incidents that do not come under the personal notice of the Referee.

(12) The Referee shall not allow any person to enter the field until play has stopped, and only then, if he has given him a signal to do so, nor shall he allow coaching from the boundary lines.

LAW VI – LINESMEN

Two Linesmen shall be appointed, whose duty (subject to the decision of the Referee) shall be to indicate when the ball is out of play, which side is entitled to the corner-kick, goal-kick or throw-in, and when a substitute is desired. They shall also assist the Referee to control the game in accordance with the Laws. In the event of undue interference or improper conduct by a Linesman, the Referee shall dispense with his services and arrange a substitute to be appointed. (The matter shall be reported by the Referee to the competent authority.) The Linesmen should be equipped with flags by the Club on whose ground the match is played.

Decisions of the International Board

(1) Linesmen, where neutral, shall draw the Referee's attention to any breach of the Laws of the Game of which they become aware if they consider that the Referee may not have seen it, but the Referee shall always be the judge of the decision to be taken.

(2) National Associations are advised to appoint official Referees of neutral nationality to act as Linesmen in International Matches.

(3) In International Matches, Linesmen's flags shall be of a vivid colour, bright reds and yellows. Such flags are recommended for use in all other matches.

(4) A Linesman may be subject to disciplinary action only upon a report of the Referee for unjustified interference or insufficient assistance.

LAW VII – DURATION OF THE GAME

The duration of the game shall be two equal periods of 45 minutes, unless otherwise mutually agreed upon, subject to the following: (a) Allowance shall be made in either period for all time lost through substitution, the transport from the field of injured players, time-wasting or other cause, the amount of which shall be a matter for the discretion of the Referee; (b) Time shall be extended to permit a penalty-kick being taken at or after the expiration of the normal period in either half.

At half-time the interval shall not exceed five minutes except by consent of the Referee.

Decisions of the International Board

(1) If a match has been stopped by the Referee, before the completion of the time specified in the rules, for any reason stated in Law V it must be replayed in full unless the rules of the competition concerned provide for the result of the match at the time of such stoppage to stand.

(2) Players have a right to an interval at half-time.

LAW VIII – THE START OF PLAY

(a) **At the beginning of the game,** choice of ends and the kick-off shall be decided by the toss of a coin. The team winning the toss shall have the option of choice of ends or the kick-off. The Referee having given a signal, the game shall be started by a player taking a place-kick (i.e. a kick at the ball while it is stationary on the ground in the centre of the field of play) into his opponents' half of the field of play. Every player shall be in his own half of the field and every player of the team opposing that of the kicker shall remain not less than 10 yards from the ball until it is kicked-off; it shall not be deemed in play until it has travelled the distance of its own circumference. The kicker shall not play the ball a second time until it has been touched or played by another player.

(b) **After a goal is scored,** the game shall be restarted in like manner by a player of the team losing the goal.

(c) **After half-time:** when restarting after half-time, ends shall be changed and the kick-off shall be taken by a player of the opposite team to that of the player who started the game.

Punishment: For any infringement of this Law, the kick-off shall be retaken, except in the case of the kicker playing the ball again before it has been touched or played by another player; for this offence, an indirect free-kick shall be taken by a player of the opposing team from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred. A goal shall not be scored direct from a kick-off.

(d) **After any other temporary suspension:** when restarting the game after a temporary suspension of play from any cause not mentioned elsewhere in these Laws, provided that immediately prior to the suspension the ball has not passed over the touch or goal-lines, the Referee shall drop the ball at the place where it was when play was suspended, unless it was within the goal area at that time, in which case it shall be dropped on that part of the goal area line which runs parallel to the goal-line, at the point nearest to where the ball was when play was stopped. It shall be deemed in play when it has touched the ground; if, however, it goes over the touch or goal-lines after it has been dropped by the Referee, but before it is

touched by a player, the Referee shall again drop it. A player shall not play the ball until it has touched the ground. If this section of the Law is not complied with the Referee shall again drop the ball.

Decisions of the International Board

(1) If, when the Referee drops the ball, a player infringes any of the Laws before the ball has touched the ground, the player concerned shall be cautioned or sent off the field according to the seriousness of the offence, but a free-kick cannot be awarded to the opposing team because the ball was not in play at the time of the offence. The ball shall therefore be again dropped by the Referee.

(2) Kicking-off by persons other than the players competing in a match is prohibited.

LAW IX – BALL IN AND OUT OF PLAY

The ball is out of play:

(a) When it has wholly crossed the goal-line or touch-line, whether on the ground or in the air.

(b) When the game has been stopped by the Referee.

The ball is in play at all other times from the start of the match to the finish including:

(a) If it rebounds from a goal-post, cross-bar or corner-flag post into the field of play.

(b) If it rebounds off either the Referee or Linesmen when they are in the field of play.

(c) In the event of a supposed infringement of the Laws, until a decision is given.

Decisions of the International Board

(1) The lines belong to the area of which they are the boundaries. In consequence, the touch-lines and the goal-lines belong to the field of play.

LAW X – METHOD OF SCORING

Except as otherwise provided by these Laws, a goal is scored when the whole of the ball has passed over the goal-line, between the goal-posts and under the cross-bar, provided it has not been thrown, carried or intentionally propelled by hand or arm, by a player of the attacking side, except in the case of a goalkeeper, who is within his own penalty-area.

The team scoring the greater number of goals during a game shall be the winner; if no goals, or an equal number of goals are scored, the game shall be termed a 'draw'.

Decisions of the International Board

(1) Law X defines the only method according to which a match is won or drawn; no variation whatsoever can be authorised.

(2) A goal cannot in any case be allowed if the ball has been prevented by some outside agent from passing over the goal-line. If this happens in the normal course of play, other than at the taking of a penalty-kick, the game must be stopped and restarted where the ball came into contact with the interference.

(3) If, when the ball is going into goal, a spectator enters the field before it passes wholly over the goal-line, and tries to prevent a score, a goal shall be allowed if the ball goes into goal unless the spectator has made contact with the ball or has interfered with play, in which case the Referee shall stop the game and restart it by dropping the ball at the place where the contact or interference occurred.

LAW XI – OFF-SIDE

(1) A player is in an off-side position if he is nearer to his opponents' goal-line than the ball, unless:

(a) he is in his own half of the field of play, or

(b) he is not nearer to his opponents' goal-line than at least two of his opponents.

(2) A player shall only be declared off-side and penalised for being in an off-side position, if, at the moment the ball touches, or is played by, one of his team, he is, in the opinion of the Referee

(a) interfering with play or with an opponent, or

(b) seeking to gain an advantage by being in that position.

(3) A player shall not be declared off-side by the referee

(a) merely because of his being in an off-side position, or

(b) if he receives the ball, direct from a goal-kick, a corner-kick or a throw-in.

(4) If a player is declared off-side, the Referee shall award an indirect free-kick, which shall be taken by a player of the opposing team from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

(1) Off-side shall not be judged at the moment the player in question receives the ball, but at the moment when the ball is passed to him by one of his own side. A player who is not in an off-side position when one of his colleagues passes the ball to him or takes a free-kick, does not therefore become off-side if he goes forward during the flight of the ball.

(2) A player who is level with the second last opponent or with the last two opponents is not in an off-side position.

LAW XII – FOULS AND MISCONDUCT

A player who intentionally commits any of the following nine offences:

(a) Kicks or attempts to kick an opponent;

(b) Trips an opponent, i.e. throwing or

attempting to throw him by the use of the legs or by stooping in front of or behind him;

(c) Jumps at an opponent;

(d) Charges an opponent in a violent or dangerous manner;

(e) Charges an opponent from behind unless the latter be obstructing;

(f) Strikes or attempts to strike an opponent;

(g) Holds an opponent;

(h) Pushes an opponent;

(i) Handles the ball, i.e. carries, strikes or propels the ball with his hand or arm. (This does not apply to the goalkeeper within his own penalty-area);

shall be penalised by the award of a **direct free-kick** to be taken by the opposing side from the place where the offence occurred, unless the offence is committed by a player in his opponents' goal-area in which case, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Should a player of the defending side intentionally commit one of the above nine offences within the penalty-area he shall be penalised by a **penalty-kick.**

A penalty-kick can be awarded irrespective of the position of the ball, if in play, at the time an offence within the penalty-area is committed.

A player committing any of the five following offences:

(1) Playing in a manner considered by the Referee to be dangerous, e.g. attempting to kick the ball while held by the goalkeeper.

(2) Charging fairly, i.e. with the shoulder, when the ball is not within playing distance of the players concerned and they are definitely not trying to play it.

(3) When not playing the ball, intentionally obstructing an opponent, i.e. running between the opponent and the ball, or interposing the body so as to form an obstacle to an opponent.

(4) Charging the goalkeeper except when he

(a) is holding the ball;

(b) is obstructing an opponent;

(c) has passed outside the goal-area.

(5) When playing as goalkeeper and within his own penalty-area

(a) from the moment he takes control of the ball with his hands, he takes more than four steps in any direction whilst holding, bouncing or throwing the ball in the air and catching it again, without releasing it into play, or, having released the ball into play before, during or after the four steps, he touches it again with his hands, before it has been touched or played by another player of the same team outside of the penalty-area or by a player of the opposing team either inside or outside of the penalty-area, or

(b) indulges in tactics which, in the opinion of the Referee, are designed merely to hold up the game and thus waste time and so give an unfair advantage to his own team—shall be penalised by the award of an **indirect free-kick** to be taken by the opposing side from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

A player shall be **cautioned** if:

(j) he enters or re-enters the field of play to join or rejoin his team after the game has commenced, or leaves the field of play during the progress of the game (except through accident) without, in either case, first having received a signal from the Referee showing him that he may do so. If the Referee stops the game to administer the caution the game shall be restarted by an indirect free-kick taken by a player of the opposing team from the place where the ball was when the Referee stopped the game. If the free-kick is awarded to a side within its own goal-area it may be taken from any point within the half of the goal-area in which the ball was when play was stopped. If, however, the offending player has committed a more serious offence he shall be penalised according to that section of the law he infringed.

(k) he persistently infringes the Laws of the Game;

(l) he shows by word or action, dissent from any decision given by the Referee;

(m) he is guilty of ungentlemanly conduct.

For any of these last three offences, in addition to the caution, an **indirect free-kick** shall also be awarded to the opposing side from the place where the offence occurred unless a more serious infringement of the Laws of the Game was committed. If the offence is committed by a player in his opponents' goal-area, a free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

A player shall be **sent off** the field of play, if:

(n) in the opinion of the Referee he is guilty of violent conduct or serious foul play;

(o) he uses foul or abusive language;

(p) he persists in misconduct after having received a caution.

If play be stopped by reason of a player being ordered from the field for an offence without a separate breach of the Law having been committed, the game shall be resumed by an **indirect free-kick** awarded to the opposing side from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

If, in the opinion of the referee, a player who is moving towards his opponents' goal with an obvious opportunity to score a goal is intentionally and physically impeded by unlawful means, i.e. an offence punishable by a free-kick (or a penalty-kick), thus denying the attacking

player's team the aforesaid goal-scoring opportunity, the offending player shall be sent off the field of play for serious foul play in accordance with Law XII (n).

(1) If the goalkeeper either intentionally strikes an opponent by throwing the ball vigorously at him or pushes him with the ball while holding it, the Referee shall award a penalty-kick, if the offence took place within the penalty-area.

(2) If a player deliberately turns his back to an opponent when he is about to be tackled, he may be charged but not in a dangerous manner.

(3) In case of body-contact in the goal-area between an attacking player and the opposing goalkeeper not in possession of the ball, the Referee, as sole judge of intention, shall stop the game if, in his opinion, the action of the attacking player was intentional, and award an indirect free-kick.

(4) If a player leans on the shoulders of another player of his own team in order to head the ball, the Referee shall stop the game, caution the player for ungentlemanly conduct and award an indirect free-kick to the opposing side.

(5) A player's obligation when joining or rejoining his team after the start of the match to 'report to the Referee' must be interpreted as meaning 'to draw the attention of the Referee from the touch-line'. The signal from the Referee shall be made by a definite gesture which makes the player understand that he may come into the field of play; it is not necessary for the Referee to wait until the game is stopped (this does not apply in respect of an infringement of Law IV), but the Referee is the sole judge of the moment in which he gives his signal of acknowledgement.

(6) The letter and spirit of Law XII do not oblige the Referee to stop a game to administer a caution. He may, if he chooses, apply the advantage. If he does apply the advantage, he shall caution the player when play stops.

(7) If a player covers up the ball without touching it in an endeavour not to have it played by an opponent, he obstructs but does not infringe Law XII para. 3 because he is already in possession of the ball and covers it for tactical reasons whilst the ball remains within playing distance. In fact, he is actually playing the ball and does not commit an infringement; in this case, the player may be charged because he is in fact playing the ball.

(8) If a player intentionally stretches his arms to obstruct an opponent and steps from one side to the other moving his arms up and down to delay his opponent, forcing him to change course, but does not make 'bodily contact' the Referee shall caution the player for ungentlemanly conduct and award an indirect free-kick.

(9) If a player intentionally obstructs the opposing goalkeeper, in an attempt to prevent him from putting the ball into play in accordance with Law XII, 5(a), the Referee shall award an indirect free-kick.

(10) If, after a Referee has awarded a free-kick a player protests violently by using abusive or foul language and is sent off the field, the free-kick should not be taken until the player has left the field.

(11) Any player, whether he is within or outside the field of play, whose conduct is ungentlemanly or violent, whether or not it is directed towards an opponent, a colleague, the Referee, a Linesman or other person, or who uses foul or abusive language, is guilty of an offence, and shall be dealt with according to the nature of the offence committed.

(12) If, in the opinion of the Referee a goal-keeper intentionally lies on the ball longer than is necessary, he shall be penalised for ungentlemanly conduct and

(a) be cautioned and an indirect free-kick awarded to the opposing team;

(b) in case of repetition of the offence, be sent off the field.

(13) The offence of spitting at opponents, officials or other persons, or similar unseemly behaviour shall be considered as violent conduct within the meaning of section (n) of Law XII.

(14) If, when a Referee is about to caution a player, and before he has done so, the player commits another offence which merits a caution, the player shall be sent off the field of play.

LAW XIII – FREE-KICK

Free-kicks shall be classified under two headings: 'Direct' (from which a goal can be scored direct against the offending side), and 'Indirect' (from which a goal cannot be scored unless the ball has been played or touched by a player other than the kicker before passing through the goal).

When a player is taking a direct or an indirect free-kick inside his own penalty-area, all of the opposing players shall be at least 10 yards (9.15m) from the ball and shall remain outside the penalty area until the ball has been kicked out of the area. The ball shall be in play immediately it has travelled the distance of its own circumference and is beyond the penalty-area. The goalkeeper shall not receive the ball into his hands, in order that he may thereafter kick it into play. If the ball is not kicked direct into play, beyond the penalty-area, the kick shall be retaken.

When a player is taking a direct or an indirect free-kick outside his own penalty-area, all of the opposing players shall be at least ten yards from the ball, until it is in play, unless they are standing on their own goal-line, between the goal-posts. The ball shall be in play when it has travelled the distance of its own circumference.

If a player of the opposing side encroaches into the penalty-area, or within ten yards of the ball, as the case may be, before a free-kick is taken, the Referee shall delay the taking of the kick, until the Law is complied with.

The ball must be stationary when a free-kick is taken, and the kicker shall not play the ball a

second time, until it has been touched or played by another player.

Notwithstanding any other reference in these Laws to the point from which a free-kick is to be taken:

1. Any free-kick awarded to the defending team, within its own goal-area, may be taken from any point within that half of the goal-area in which the free-kick has been awarded.

2. Any indirect free-kick awarded to the attacking team within its opponents' goal-area shall be taken from that part of the goal-area line which runs parallel to the goal-line, at the point nearest to where the offence was committed.

Punishment: If the kicker, after taking the free-kick, plays the ball a second time before it has been touched or played by another player an indirect free-kick shall be taken by a player of the opposing team from the spot where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

(1) In order to distinguish between a direct and indirect free-kick, the Referee, when he awards an indirect free-kick, shall indicate accordingly by raising an arm above his head. He shall keep his arm in that position until the kick has been taken and retain the signal until the ball has been played or touched by another player or goes out of play.

(2) Players who do not retire to the proper distance when a free-kick is taken must be cautioned and on any repetition be ordered off. It is particularly requested of Referees that attempts to delay the taking of a free-kick by encroaching should be treated as serious misconduct.

(3) If, when a free-kick is being taken, any of the players dance about or gesticulate in a way calculated to distract their opponents, it shall be deemed ungentlemanly conduct for which the offender(s) shall be cautioned.

LAW XIV – PENALTY-KICK

A penalty-kick shall be taken from the penalty-mark and, when it is being taken, all players with the exception of the player taking the kick, properly identified, and the opposing goalkeeper, shall be within the field of play but outside the penalty-area, and at least 10 yards from the penalty-mark. The opposing goalkeeper must stand (without moving his feet) on his own goal-line, between the goal-posts, until the ball is kicked. The player taking the kick must kick the ball forward; he shall not play the ball a second time until it has been touched or played by another player. The ball shall be deemed in play directly it is kicked, i.e. when it has travelled the distance of its circumference. A goal may be scored directly from a penalty-kick. When a penalty-kick is being taken during the normal course of play, or when time has been extended at half-time or full-time to allow a penalty-kick to be taken or retaken, a goal shall not be nullified if, before passing between the posts and under the cross-bar, the ball touches either or both of the goal-posts or the cross-bar, or the goal-keeper, or any combination of these agencies, providing that no other infringement has occurred.

Punishment: For any infringement of this Law:

(a) by the defending team, the kick shall be retaken if a goal has not resulted.

(b) by the attacking team other than by the player taking the kick, if a goal is scored it shall be disallowed and the kick retaken.

(c) by the player taking the penalty-kick, committed after the ball is in play, a player of the opposing team shall take an indirect free-kick from the spot where the infringement occurred. If, in the case of paragraph (c), the offence is committed by the player in his opponents' goal-area, the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

(1) When the Referee has awarded a penalty-kick, he shall not signal for it to be taken, until the players have taken up position in accordance with the Law.

(2) (a) If, after the kick has been taken, the ball is stopped in its course towards goal, by an outside agent, the kick shall be retaken.

(b) If, after the kick has been taken, the ball rebounds into play, from the goalkeeper, the cross-bar or a goal-post, and is then stopped in its course by an outside agent, the Referee shall stop play and restart it by dropping the ball at the place where it came into contact with the outside agent.

(3) (a) If, after having given the signal for a penalty-kick to be taken, the Referee sees that the goalkeeper is not in his right place on the goal-line, he shall, nevertheless, allow the kick to proceed. It shall be retaken, if a goal is not scored.

(b) If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball has been kicked, the goalkeeper moves his feet, the Referee shall, nevertheless, allow the kick to proceed. It shall be retaken, if a goal is not scored.

(c) If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball is in play, a player of the defending team encroaches into the penalty-area, or within 10 yards of the penalty-mark, the Referee shall, nevertheless, allow the kick to proceed. It shall be retaken, if a goal is not scored.

The player concerned shall be cautioned.

(4) (a) If, when a penalty-kick is being taken, the player taking the kick is guilty of ungentlemanly conduct, the kick, if already taken, shall be retaken, if a goal is scored.

The player concerned shall be cautioned.

(b) If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball is in play, a colleague of the player taking the kick encroaches into the penalty-area or within ten yards of the penalty-mark, the Referee shall, nevertheless, allow the kick to proceed. If a goal is scored, it shall be disallowed, and the kick retaken.

The player concerned shall be cautioned.

(c) If, in the circumstances described in the foregoing paragraph, the ball rebounds into play from the goalkeeper, the cross-bar or a goal-post and a goal has not been scored, the Referee shall stop the game, caution the player and award an indirect free-kick to the opposing team from the place where the infringement occurred, subject to the over-riding conditions imposed in Law XIII.

(5) (a) If, after the referee has given the signal for a penalty-kick to be taken, and before the ball is in play, the goalkeeper moves from his position on the goal-line, or moves his feet, and a colleague of the kicker encroaches into the penalty-area or within 10 yards of the penalty mark, the kick, if taken, shall be retaken.

The colleague of the kicker shall be cautioned.

(b) If, after the Referee has given the signal for a penalty-kick to be taken, and before the ball is in play, a player of each team encroaches into the penalty area, or within 10 yards of the penalty-mark, the kick if taken, shall be retaken.

The players concerned shall be cautioned.

(6) When a match is extended, at half-time or full-time, to allow a penalty-kick to be taken or retaken, the extension shall last until the moment that the penalty-kick has been completed, i.e. until the Referee has decided whether or not a goal is scored, and the game shall terminate immediately the Referee has made his decision. After the player taking the penalty-kick has put the ball into play, no player other than the defending goalkeeper may play or touch the ball before the kick is completed.

A goal is scored when the ball passes wholly over the goal-line.

(a) direct from the penalty-kick.

(b) having rebounded from either goal-post or the cross-bar, or

(c) having touched or been played by the goalkeeper.

The game shall terminate immediately the Referee has made his decision.

(7) When a penalty-kick is being taken in extended time:

(a) the provisions of all of the foregoing paragraphs, except paragraphs (2)(b) and (4)(c) shall apply in the usual way, and

(b) in the circumstances described in paragraphs (2)(b) and (4)(c) the game shall terminate immediately the ball rebounds from the goalkeeper, the cross-bar or the goal-post.

LAW XV – THROW-IN

When the whole of the ball passes over a touch-line, either on the ground or in the air, it shall be thrown in from the point where it crossed the line, in any direction, by a player of the team opposite to that of the player who last touched it. The thrower at the moment of delivering the ball must face the field of play and part of each foot shall be either on the touch-line or on the ground outside the touch-line. The thrower shall use both hands and shall deliver the ball from behind and over his head. The ball shall be in play immediately it enters the field of play, but the thrower shall not again play the ball until it has been touched or played by another player. A goal shall not be scored direct from a throw-in.

Punishment:

(a) If the ball is improperly thrown in, the throw-in shall be taken by a player of the opposing team.

(b) If the thrower plays the ball a second time before it has been touched or played by another player, an indirect free-kick shall be taken by a player of the opposing team from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

(1) If a player taking a throw-in, plays the ball a second time by handling it within the field of play before it has been touched or played by another player, the Referee shall award a direct free-kick.

(2) A player taking a throw-in must face the field of play with some part of his body.

(3) If, when a throw-in is being taken, any of the opposing players dance about or gesticulate in a way calculated to distract or impede the thrower, it shall be deemed ungentlemanly conduct for which the offender(s) shall be cautioned.

(4) A throw-in taken from any position other than the point where the ball passed over the touch-line shall be considered to have been improperly thrown.

LAW XVI – GOAL-KICK

When the whole of the ball passes over the goal-line excluding that portion between the goal-posts, either in the air or on the ground, having last been played by one of the attacking team, it shall be kicked direct into play beyond the penalty-area from a point within that half of the goal-area nearest to where it crossed the line, by a player of the defending team. A goalkeeper shall not receive the ball into his hands from a goal-kick in order that he may thereafter kick it into play. If the ball is not kicked beyond the penalty-area, i.e. direct into play, the kick shall be retaken. The kicker shall not play the ball a second time until it has touched—or been played by—another player. A goal shall not be scored direct from such a kick. Players of the team opposing that of the

player taking the goal-kick shall remain outside the penalty-area whilst the kick is being taken.
Punishment: If a player taking a goal-kick plays the ball a second time after it has passed beyond the penalty-area, but before it has touched or been played by another player, an indirect free-kick shall be awarded to the opposing team, to be taken from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

Decisions of the International Board

(1) When a goal-kick has been taken and the player who has kicked the ball touches it again before it has left the penalty-area, the kick has not been taken in accordance with the Laws and must be retaken.

LAW XVII – CORNER-KICK

When the whole of the ball passes over the goal-line, excluding that portion between the goal-posts, either in the air or on the ground, having last been played by one of the defending team, a member of the attacking team shall take a corner-kick, i.e. the whole of the ball shall be placed within the quarter circle at the nearest corner-flag post, which must not be moved, and it shall be kicked from that position. A goal may be scored direct from such a kick. Players of the team opposing that of the player taking the corner-kick shall not approach within 10 yards of the ball until it is in play, i.e. it has travelled the distance of its own circumference, nor shall the kicker play the ball a second time until it has been touched or played by another player.
Punishment:

(a) If the player who takes the kick plays the ball a second time before it has been touched or played by another player, the Referee shall award an indirect free-kick to the opposing team, to be taken from the place where the infringement occurred, unless the offence is committed by a player in his opponents' goal-area, in which case the free-kick shall be taken from a point anywhere within that half of the goal-area in which the offence occurred.

(b) For any other infringement the kick shall be retaken.

1991 AMENDMENTS

LAW XII – FOULS AND MISCONDUCT

Three new decisions:

Decision No (15): If, in the opinion of the referee, a player who is moving toward his opponents' goal with an obvious opportunity to score a goal is intentionally impeded by an opponent, through unlawful means, i.e. an offence punishable by a free kick (or a penalty kick), thus denying the attacking player's team the aforesaid goal-scoring opportunity, the offending player shall be sent off the field of play for serious foul play in accordance with Law XII (n).

Decision No (16): If, in the opinion of the referee, a player, other than the goalkeeper within his own penalty area, denies his opponents a goal, or an obvious goal-scoring opportunity, by intentionally handling the ball, he shall be sent off the field of play for serious foul play in accordance with Law XII (n).

Decision No (17): The International FA Board is of the opinion that a goalkeeper, in the circumstances described in Law XII 5(a), will be considered to be in control of the ball when he takes possession of the ball by touching it with any part of his hands or arms. Possession of the ball would include the goalkeeper intentionally playing the ball, but would not include circumstances where, in the opinion of the referee, the ball rebounds accidentally from the goalkeeper, for example after he has made a save.

OBITUARIES

Alderman, Albert (b. Alvaston, Derbyshire 30.10.1907; d. 6.6.1990). Perhaps better known as a cricketer (scoring 12,376 runs for Derbyshire) than a footballer, he did, nevertheless, make 21 League appearances for Derby County 1928–34 and 19 in one season with Burnley 1934–35, principally as an inside-right. Also played cricket for Berkshire and became a first-class umpire.

Boyd, Jimmy (b. Glasgow 29.4.1907; d. March 1991). A fast-moving right winger who made his name with Newcastle United helping them win the FA Cup in 1932. Joined from Edinburgh St. Bernard's in 1925 and played over 200 League and Cup games before moving to Derby County in 1935. During this period he won one Scottish cap. Noted for his accurate corners he subsequently served Bury, Dundee and Grimsby Town before retiring during the war.

Clamp, Eddie (b. Burton 13.11.22; d. Swadlincote June 1990). Not to be confused with the Wolves star this player was a goalkeeper with Derby County and Oldham Athletic between 1947 and 1949 with only one and three League appearances for each respectively. Joined Buxton 1950.

Connelly, Eddie (b. Dumbarton 9.12.1916; d. Luton 16.2.1990). A typical Scottish ball-playing inside-forward. Newcastle United signed him from Rosslyn Park in 1935, but he did not establish himself until going to Luton in 1938. West Bromwich signed him just before the outbreak of war but he was so highly regarded by Luton that they took him back in 1946. A cartilage injury cost him his place but he recovered enough to make appearances with Orient and Brighton before retiring in 1950.

Corbett, Norman (b. Falkirk 23.6.1919; d. Derbyshire June 1990). Joined West Ham United from Hearts in 1937 and after making his League debut as a winger settled at wing-half. Became a Sgt. Major PTI during the war but still managed to play fairly regularly for the Hammers. When he left Upton Park for Clapton FC in 1950 he had totalled 174 peace-time League and Cup appearances plus well over 100 war-time games.

Curry, Bill (b. Newcastle-u-Tyne 12.10.35; d. Mansfield 20 August 1990). A colourful striker who scored 184 goals in 393 League appearances. Began with Newcastle United in 1954 and won an England U-23 cap before transfer to Brighton for £12,000 in July 1959. Moved to Derby County in October 1960 and was later with Mansfield Town and Chesterfield before leaving the League in 1968 and finishing his playing career with Boston United.

Dearson, Don (b. Ynysybwl, nr. Pontypridd 13.5.1914; d. Birmingham 24.12.1990). Capped for Wales as an amateur with Barry Town before joining Birmingham City in April 1934. Gained three full Welsh caps prior to the outbreak of war and added 15 wartime international appearances. Tall and well-built he could play almost anywhere and cost Coventry City a club record £6,000 fee when they signed him in 1947. Inside-forward, wing-half or full-back he was always reliable. Finished League career with a season at Walsall 1950–51.

Friday, Robin (b. London 27.7.52; d. London December 1990). Seemed destined for an outstanding footballing career when he made his name with Reading, scoring 46 goals in 121 League appearances 1973–76. However, soon after moving to Cardiff City for a £28,000 fee he began to run into trouble on and off the field and his contract was terminated in 1978. Tragically found dead in his London flat.

Gee, Harry (b. Haydock 25.12.1894; d. Cheshire 3.10.90). A left-half who first turned professional with Burnley making five First Division appearances in 1922–23. Had four seasons with New Brighton 1923–27 and joined Exeter City in August 1927. Established a regular first-team position until a broken ankle ended his playing career in March 1928. Later became New Brighton Supporters' Club chairman.

Guy, Jimmy (b. Swansea 29.1.21; d. Gt. Yarmouth 29.11.1990). Played as an amateur for Wolves, Swansea and Norwich City before turning professional with the Canaries in August 1946. Turned out in several positions but was unable to establish a permanent place and went to Yarmouth Town 1948 after making only a dozen League appearances. Joined Gorleston 1950.

Handysides, Ian (b. Jarrow 14.12.62; d. August 1990). Made League debut with Birmingham City in January 1981. Generally recognised as a midfield player he joined Walsall three years later. Birmingham re-signed him in March 1986 when they were struggling to avoid relegation from the First Division and he extended his appearances for the Blues to a total of over 100 before ill-health forced his retirement in 1988. He died tragically at the age of only 27 following a brain tumour operation.

Kerrigan, Don (b. Seamill 7.5.41; d. December 1990). Could play in any forward position and led St Mirren's attack in the Scottish Cup Final of 1962, but generally preferred to be on the wing. Played for Johnstone Burgh, St Mirren, Aberdeen, Hearts, and Dunfermline before Fulham introduced him to the Football League in February 1968. They loaned him to Lincoln City in March 1969 but after only 16 League appearances for both clubs he returned to Scotland.

Longhurst, David (b. Northampton 15.1.65; d. York 8.9.90). Died while playing for York City against Lincoln City at Bootham Crescent, the first player to die on the field in a Football League game for 63 years. An apprentice with Nottingham Forest he made his name as a striker with Halifax Town 1985–87 and then had spells with Northampton Town and Peterborough before his transfer to York City in January 1990.

Martin, David "Boy" (b. Belfast 25.7.14, d. 9.1.1991), Irish international centre-forward (10 caps) who was signed by Wolves from Belfast Celtic in 1934. Went to Nottingham Forest for a big fee in 1936 and saved them from relegation to the Third Division by breaking the club scoring record with 31 goals (including two in the Cup). Transferred to Notts County in November 1938 and remained with them until the war. Indeed, he played a small number of war-time games up to and including 1945–46. Known as "Boy" because he had been a boy soldier in the Royal Ulster Rifles.

STAN MORTENSEN
Blackpool

Mercer OBE, Joe (b. Ellesmere Port 9.8.14; d. Merseyside August 1990). One of soccer's best loved characters who began his brilliant career as a 15-year-old with Everton and blossomed into an outstanding wing-half, making 184 peace-time League and Cup appearances (one Championship medal) before his surprise transfer to Arsenal in November 1946. Leg injuries had slowed him down but the move to Highbury rejuvenated him and he captained the Gunners to two League Championships and an FA Cup Final victory. Continued to play into his 40th year until a leg fracture ended his career in 1954 after 293 Arsenal appearances. Subsequently managed Sheffield United, Aston Villa and Manchester City. He was also general manager of Coventry City and had two spells as temporary manager of England. Five England caps plus 27 war-time and Victory games.

Moody, Ken (b. Grimsby 12.11.24; d. Sheffield 14.9.90). Signed for Grimsby Town in 1943 but first attracted attention as a powerful full-back while guesting for Arsenal in 1945. Returned to Grimsby after leaving the Services and made 114 League appearances. Joined Peterborough 1951.

Mortensen, Stanley (b. South Shields 26.5.21; d. 22.5.91), recovered from head injuries sustained in a war-time bomber crash to become one of England's most exciting forwards in the early post-war period. A great favourite with Blackpool whom he joined in 1938 and played in 320 League games, scoring 197 goals before ending his career with Hull City (1955–57) and Southport (1957–58). He returned to Blackpool as manager 1967–69. Noted for his speed and marksmanship he played in three Cup Finals including the "Matthews Final" in which he scored a hat-trick. Made international debut as substitute for Wales in a war-time game and scored four goals when playing in the first of 25 peace-time England games (24 goals).

Stevenson, George (b. Kilbirnie, Ayrshire 4.4.1905; d. May 1990). Devoted his career to Motherwell—as a player from 1923 until the war and as manager from 1946 to 1955. Made over 500 League appearances, generally as inside-left, gaining a Championship medal in 1932 and appearing in three Scottish Cup Finals. He was capped 12 times.

Taylor, Peter (b. Nottingham 2.7.28; d. Majorca 4.10.90). A goalkeeper with Coventry City 1946–55, Middlesbrough 1955–61 and Port Vale 1961, he made over 200 appearances. It was, however, as managerial assistant to Brian Clough at Derby County and Nottingham Forest that he found fame with so much success in the 1970s. His managerial experience had begun with Burton Albion before he teamed up with Clough at Derby. They moved together to Brighton and Taylor stayed behind to manage that club alone 1974–76 before resuming his partnership with Clough at Nottingham Forest. They finally split in 1982 and Taylor had a brief spell in charge at Derby before retiring in 1984.

Tiler, Brian (b. Whiston 15.3.43; d. Italy July 1990). A clever half-back who played in over 350 League games 1962–73 with Rotherham, Aston Villa and Carlisle United. Subsequently in America with Atlanta Chiefs and Portland Timbers before becoming assistant manager of Wigan Athletic. Was National Coach in Zambia 1979–82, and held an administrative position with Bournemouth for a short while in 1983. Was in the Villa team that regained Second Division status in 1971–72.

Wyles, Cecil (b. Dunsby Fen 1.11.1919; d. October 1990). Capped for England as a schoolboy he developed with Peterborough before joining Everton in 1938. After a number of war-time games moved to Blackburn Rovers in 1945. As a centre-forward he scored four goals in one game against Burnley in October 1945, and was the club's penalty expert. Transferred to Bury in May 1946 and on to Southport before the year was out. Enjoyed much adulation with Southport for whom he scored 54 goals in 143 appearances. Finished his career with Bangor and Spalding.

ROTHMANS FOOTBALL YEARBOOK

Now in its 22nd year, *Rothmans Football Yearbook* continues to provide unrivalled coverage of domestic and international football. The 1991-92 edition previews the 1992 European Championship finals in Sweden and includes the results of the qualifying matches played during the 1990-91 season. Marking the return of English clubs to European football, there are results, goalscorers and line-ups for every game.

Each of the 92 Football League clubs is comprehensively covered in a six-page section, which includes a full page photograph of the 1990-91 squad. Once again, the club statistics are complemented by additional historical reference material. As the League expands to encompass 94 clubs by the end of next season, full details of the League's newest member are included.

Among the regular features are a day-by-day diary of the events of the 1990-91 season plus information on the Scottish League, Wales and Northern Ireland as well as international football, including appearances, for the four home countries; the GM Vauxhall Conference, amateur, schools and university soccer. All this, and more, makes *Rothmans Football Yearbook* the essential handbook for the football season.
